## Newsletter

# THANK YOU TO ALL OUR ADVERTISERS!

We are trying to keep our ANAHGRAM published but with the COVID-19 we are sending you a newsletter instead trying to keep the news out there for you. This will help with costs of the publication and mailing; we need to send a thank you to Rich Armstrong and Ben Pollard from Snowman's Printing with making this newsletter possible.

Anah Shrine is ANAH STRONG! and will make it through this staying safe and staying your distance. I know it is hard to put a hold on your life, but we will make it better and by helping all our advertisers when they are open you will help your Anahgram with future editions.

I know some can see The Anahgram online, but this publication is important to all that don't have access to the internet or even a computer. Please make sure you let the advertisers know we are shopping with them to Thank them for helping make The Anahgram a successful Shrine magazine that survived the 2020 Coronavirus. Being Shriners and Masons make you better men and your generous contributions will help us make this a successful year. Thank you for all you do for making the life of a child better. When you see a child smile because they can get their burns healed, walk or catch a ball for the first time. That is why we are here. Thank you to all the Ladies and your family members that stand by your side to make Anah Strong!

We will have dates and events soon to make everyone busy with the Shrine get-togethers that will help us donate to the Shrine Hospitals. The Anahgram will survive this and come out stronger along with all of you.

## THANK YOU TO ALL OUR ADVERTISERS!

# POTENTATES MESSAGE

Sir Tim "Timothy" Dutch, Potentate

Oh my... how quickly time passes. June has come and gone and the 4th of July is upon us. Summer as we know it is in full swing, or at least as much as it can be with the current health and safety concerns we are all living with.

We miss our Shrine family...

I hope you all are safe and trying to enjoy each other's company as much and as safely as possible.

On June 20th Waldo County Shrine Club hosted a public drive thru BBQ at the Shrine Club in Belfast. We enjoyed a great day and saw a lot of our fellow Shriners and Ladies. Lady Jean and I were in tears when a parade stepped off from the hospital to Waldo County Shrine Club. The parade was escorted by the Belfast Police Dept and included the Convertibles, the Highlanders, Directors, Divan and Lobster Boats. We really could not have been more surprised. We are so appreciative that you all took the time to make that day something Lady Jean and I will always remember. Special thanks to Anah Shrine 1st Ceremonial Master Ryan Otis for putting this surprise in motion.

Upcoming events in August include on Thursday, the 13th, Waldo County Shrine Club annual Dryden Dutch Memorial Golf Tournament (limited to 50) players, which is also a Divan Visitation at the Club and includes the famous steak feed. Hope to see many of you there!

Tuesday, August 18th is our Stated Meeting at Anah Shrine. We will send a Zoom invitation to attend as we did for the last Stated Meeting.

The Anah, Kora, Bektash joint visitation, AKA the Tri-Vecta which was to be held on October 30th-November 1st has unfortunately been cancelled. We discussed this in detail but felt that with everyone's limited resources and the inability to fundraise, it was the best decision to make.

Many of the Units and Clubs are starting to get together which is a great thing and what we have all been itching to do. Please remember to be safe and to follow the CDC and State guidelines and recommendations. We will get thru this and I look forward to Shrining again with you all.

Yours in the Faith,

Tim Dutch

Potentate 2020

**Stated meeting in August,

to follow in August issue.**

# "FROM THE RECORDER'S DESK" Charlie Pray

Greetings from the Recorders Desk,

We would like to announce the opening of the Shrine Center, to experience firsthand, the happenings of this year's "Virtual Imperial Session":

We will be hosting a Virtual "Special Imperial Session" here at the temple @ 11AM on Saturday July 11th. The hall will be open to the first 50 members (In Good Standing) to contact the Recorder's office and sign up for a seat. The session is scheduled from 11:00AM until 4:00PM with an allowance for continuation on Sunday July 12th beginning at 11:00am if necessary, to complete the work. Please note: As mandated by the Maine CDC and passed down by the Governor of the State of Maine, we are limited to the first 50 members. We will be cognoscente of the 6' social distancing requirements with plans to utilize the rectangular tables with seats on either end. You will be encouraged to bring any drinks and or snacks that you might need for the day as we will not be serving refreshments during this event.

Regarding the 2021 Dues Assessment: The Divan of Anah Shrine is pleased to announce that again this year, we will not be increasing the annual membership dues to our nobility. Once again, the annual dues will be held at \$70.00 for all regular members.

The dues invoices will follow a similar schedule as last year with the assessment taking effect August 1st.

- Mid-August – Email of first dues notice
- Mid-September – Mailing of hard copy invoices to all members not paid by this time period
- Mid-October – Mailing of the 2nd hard copy to all members not paid by this time period
- Early December – Post Card mailed to all Non- Paid "At Risk of Suspension" members
- January 1st – Suspension of any member 2 years in arrears
- Early February – Email reminder to all non-paid members of the current dues cycle

To clarify the process, it should be noted that as of August 2020, the membership dues for the following year are assessed and will then be due. As noted, The first notice is an email version of your annual assessment. This service to the temple is the least expensive to our organization and costs pennies to expedite. Subsequent notices (Hard Copy Mailings as well as additional email versions) are extremely expensive to Anah and severely effect the overall bottom line to our temple. As you know, the US Postal Service continues to increase their rates along with printing costs and envelopes. Each follow-up contact costs the Temple a greater portion of the \$35.00 we realize out of your total \$70.00 dues payment. Therefore, we ask "If Possible", please remit the membership payment as

early as you can to avoid these additional service fees from Tampa..

In closing, once again we will respectfully ask for your consideration when making your annual payment, to think about including an additional contribution to Anah Shrine. As you are all certainly aware, CoVid 19 has prohibited nearly all fundraisers for the temple, including the cancellation of our circus and numerous building rentals. This loss of revenue deeply effects the bottom line of the organization and thus, causes extreme concern with the expenditures of funds dealing with maintenance projects and the general upkeep of the facility. Your additional pledge to the temple will help us maintain the quality of the building we call home. Thank you in advance for any help that you can afford.

Fraternally,

Charlie

P.S. Mason's make men better, Shriners make the world better!

## CLUB NEWS

### WASHINGTON COUNTY SHRINE CLUB

**Noble Warren Orcutt, Sr., Reporter**

It is great to finally have some sunshine and warmer temperatures. Gardens are way behind for this time of year.

It certainly seemed strange not to attend a June ceremonial this year. I hope this finds you all safe and healthy. We need to continue following the guidelines provided and continue social distancing and wearing a mask when out in public for the safety of not only you, but others as well. It will be wonderful to be able to attend Shrine functions again but that does not to be anything that will be happening very soon.

The Waldo County Shrine Club held a drive thru Chicken barbeque on June 20th and we hope that many had the opportunity to attend and that it was very successful.

It was announced in the last Anahgram Newsletter that in conjunction with the Potentate's Reception on October 17th a mini Ceremonial will be held and the Class of Candidates will be named in memory of Past Potentate Dryden Dutch, uncle of our Potentate Tim Dutch, who was Potentate in 1990. So get some candidates lined up for that event.

Birthday wishes for July are extended to Tristan Alley, Maxine Barker, Stan Foss Jr., Suzanne Fox, Julie Joy, Rodney Kawashima, Debbie Kelley, Joseph McDonald, Velma Orcutt, Joyce Pinkham, Janet Robinson, Dan Sawyer, Nora Stout Bernard Ward, Carroll West, Rebecca White, Janice White, Janis Whitney, and Robert Wood.

July Anniversary wishes go to Forrest & Linda Bubar, Edwin & Dawn Degenhardt, James & Kathleen Dowling, Richard & Jolene Farnsworth, Ricky & Bethany Foss, Ricky & Carla Harmon, Billy & Amy Houck, Kevin & Julie Joy, Rodney & Paula Kawashima, Rick & Sue Meserve, PP Brad & Shannon Prout, Stewart & Mordina Roberts, Dale & Marilyn Schevenius, William & Olivia Spencer, Dan & Jan Thompson, and Julian & Janice White.

Until next month, enjoy the rest of the month, stay safe and strong, wear your mask and remember to social distance when you are out and about.

### AROOSTOOK COUNTY SHRINE CLUB

The County Klowns are hoping that you are all doing very well! Even in this time of self-quarantine, social distancing, and a year of no Anah Shrine Circuses, the Klowns had to get a bit creative on how to bring some joy to the area. We have been busy on several weekends conducting Socially Distanced parades to some of the larger towns in Aroostook County. We have been individually loading into vehicles, and have paraded at a safe distance from the public, and have been safely visiting several nursing, and rehabilitation centers at the same time by walking around the outside and waving to the residents. Both the turnout of Klowns, and the public have been great! In each town many members of the public of all ages have been smiling, and waving from their front windows, doors, porches, driveways, and yards, and I don't know how many times I heard "thankyou" being hollered out to us on the way by. So far we have paraded in Presque Isle, Caribou, Houlton, Fort Kent, Van Buren, and Madawaska. We are hoping to do a marathon weekend by parading in Limestone, Fort Fairfield, Easton, Mapleton, and Ashland! This may finish out our socially distanced parading around the county, but

who knows!

One thing that has been particularly enjoyed, and appreciated is the support from Some of the Bangor Klowns who made the journey north to join us, as well as a Funster who may bare a strong resemblance to Elmo! We have even had the Illustrious Sir, Potentate Timothy Dryden Dutch join us on more than one of these weekends! He pressed his luck a bit by returning for more parades, and fell victim to a County Klown Anah Shrine Circus tradition by being "pied" in the face!!! Come on!! We couldn't let him off that easy, bwa, ha, haaaa!!!

On August 23rd, 2020, at 1:00PM, at the Aroostook Shrine Club in Presque Isle, we will be remembering and honoring Jim "Rainbow" England where we can share memories of Rainbow, and express our condolences to his family.

That's it for now, keep smiling, and here's a tip of the red nose from Rowdy!

### SPRINGFIELD HOSPITAL REPORT

I hope this report finds you all well and safe. The hospital is moving in a forward progression as restrictions are eased so I see the number of patients being treated increasing. Our staff has done a herculean effort in keeping our hospital running in such a secure manner. We continue to have our Board of Governor meeting remotely and it has been working quite well, so the shrine centers are being represented and informed. Due to the lack of any revelations I will keep this short and sweet. I wish you all the best and a Happy Independence Day. God Bless. Bob

### ACADEMICIANS

We had a good online Zoom meeting on May 27th. Director Donnie Copeland summarized the information presented and discussed at the Divan's Stated Meeting done online on May 19th which he and Shawn Spratt attended. This included that while there was no spring ceremonial, they are going try to do a one-day ceremonial on Oct. 17th. The Corona Virus shutdown has affected the Anah budget a great deal, so the Divan has implemented various cost-savings to make up the difference (i.e. an abbreviated Anahgram on less expensive paper, and a number of other measures). Units have to ensure parade vehicles' registration and insurance are updated at least two weeks prior to the event(s). As of this time our Shrine hospitals are doing ok.

Many thanks to Shawn Spratt for getting us the new ceremonial tent used in the ritual and which can also be used for certain other purposes. We will try to reduce the load in the equipment trailer by seeing if we can store some things inside the building.

Donnie and I were on the brink of finishing up our new photo display board when the shutdown hit. We will finish it up when we are able. We got all the new photos in it, and the large framed photo of us in our costumes mounted above it. We still have to rout it a bit more in some spots to make sure additional photos can fit in it smoothly, and we have to mount our Academicians sign above it and have the hardware to do that job too. Then it will be done.

We will plan to have the annual picnic in September if possible.

We are "dark" for the summer, but because of the fast-changing nature of the times we may need to have some special additional Zoom meetings between now and the next official meeting in October to discuss matters as they may arise.

Have a good July! Stay safe and healthy. Please contact me at 989-2617 or [rbilancia@roadrunner.com](mailto:rbilancia@roadrunner.com) with questions or concerns. If I don't have the answer, I will get it for you or put you in touch with the appropriate person. :-)

### CONVERTIBLES

Hello to all with another note from the convertibles for July's skinny Anahgram!

The convertible unit wishes a very happy birthday this month to four of our ladies. Janice White, Debbie Dunham, Carol Miller and Lorraine Sundt will all be blowing out candles this month. With all this virus stuff in the air, we hope that your day is still special.

Julian and Janice will celebrate their wedding anniversary this month as well. Another milestone reached! We congratulate them and wish them many more!

As we finally begin to go topless, remember all of our Shrine family and friends in your thoughts and prayers!

Reporting for the convertibles, Gaylord E. Sundt

### WIDOW'S CLUB

Hello everyone.

Such a strange time for all of us so I hope you are all staying well and at home.

I just wanted to touch bases with all of you. I can be reached at any time if you need anything.

We will again not plan to get together this month since it is hard to know what regulations will be in place by the end of the month.

We have an invitation to Doug Dulac's camp when we are able to get together.

I will be in touch when I have more information.

Take care and stay well,

Lorena

## **Patient Ambassador Camryn: Where is she now?**

In 2018, we brought you the story of Camryn, who at the age of 11 contracted necrotizing fasciitis, a serious skin infection that kills the soft tissue. If not caught and treated quickly, necrotizing fasciitis can be fatal. After initial treatment at her local hospital, Camryn was airlifted to Massachusetts General Hospital and transferred to Shriners Hospitals for Children — Boston for specialized care. Under the care of Robert L. Sheridan, M.D., and his multidisciplinary team, Camryn underwent numerous surgeries and rehabilitative treatments, including daily visits to a hyperbaric chamber for oxygen therapy to help heal her wounds. A skin graft and the dedicated efforts of the hospital staff eventually allowed Camryn to return home to her family.

Camryn, now almost 16, shared her gratitude to the Boston Shriners Hospital by serving as a patient ambassador at the 40th annual Aleppo Shriners All-Star Football Classic in 2018. She also participated in the Spartan Race at Fenway Park with #TeamNoLimits that same year. We recently checked in with Camryn and her mother, Kara, to find out what they are up to these days.

## **How are things? Tell us about your interests and hobbies.**

I just finished my sophomore year in high school. I love sports and play volleyball and softball. My father is my coach and last year we won the Western Massachusetts Championship for softball. These days I like to binge watch TV – especially Grey's Anatomy. I also like to play basketball at home with my brother, Max (12), and sister, Molly (8).

I will start to look at colleges next year. I am not sure exactly what I want to do, but I have a strong interest in the medical field. I would love the possibility to intern some day at the Springfield Shriners Hospital.

## **Do you have updates to your experience as a Shriners Hospitals for Children patient since we shared your story in 2018?**

I had reconstructive surgery with Dr. Dan Driscoll. I am very happy that I went through the process and with the outcome. My family and I miss having appointments – we loved seeing the staff and always enjoyed going to a new restaurant in Boston on my appointment days!

## **What are some of your favorite memories of the Boston Shriners Hospital?**

My favorite memories are the nurses and the child life specialists. They helped me so much and were always there to make me smile. Shriners Hospital means so much to me because they helped me and so many other children.

## **This question is for your mom. Kara, what has your experience as a parent been like?**

Shriners will always hold a special place in my heart. During our time there, the staff felt like family. I loved seeing families from all around the world being treated. Camryn was in three different hospitals. Shriners was different and so special. The entire staff is so friendly and all have a deep interest in every patient. Every patient has a unique story and experience.

## **How are you and your family managing during the COVID-19 pandemic?**

We have taken the COVID-19 pandemic day by day. I have had a lot of online schoolwork to do, including the AP biology exam. I am disappointed that we missed softball season this year but look forward to nice weather to get outside. I look forward to spending time at the beach and with my friends this summer.

## **Is there anything else you wish to share?**

My whole family is forever grateful for what the doctors, nurses and therapists did for me. In fact, my grandmother recently held a fundraiser for the hospital. She and friends from her condo association wanted to hold a basket raffle fundraiser to support a charity. Her friends were familiar with my story and thought it was a great idea. It turns out that within the group there was a woman who had a connection as well. She had been a patient at Massachusetts General Hospital many years ago and her doctor went on to become the chief of staff at the Boston Shriners Hospital. It was the perfect fit and all the money was donated to the hospital. This part of my life is over and I am completely healed, but I will never forget my memories of Shriners, and will always remember what I overcame.
