Norris "Nick" E. Nickerson, 74, passed away on April 16, 2014, at EMMC surrounded by his family following a brief but determined and courageous battle with recent insurmountable complications associated with his blood cancer, myelodysplastic syndrome. Nick was the son of Raymond and Velma Rand Nickerson and was born November 6, 1939 in Brewer, Maine.

Norris attended elementary and high school in Brewer, where he was an active three-sport athlete with particular fondness for playing football and having fun with his fellow teammates. He graduated from Brewer in 1958 to attend the University of Maine where he continued to play football, bonded many friendships with teammates and ultimately shared in his team's success as the 1961 Yankee Conference Champions under Coach Harold Westerman. He graduated from Maine in 1962 with a Bachelor of Science in Education and subsequently earned his Master of Education from Maine.

In September 1962, Norris started work as a teacher in Bangor where he was a

dedicated educator, coach, and administrator at Bangor High School for his entire career spanning 49 years. He taught various subjects for 12 years, coached football for 13 years with Head Coach Gerry Hodge, including a cherished State Championship in 1973, served 15 years as the Vice Principal for his dear friend, Principal Dr. John Fahey and then led the school for 22 years as Principal until his retirement in 2011. During his tenure as Principal, Bangor High accomplished many awards and achievements, including: National Blue Ribbon School of Excellence, US News Top 5% of High Schools, Standard and Poor's Outperformer, Sports Illustrated Top 50, Parents Choice Award Winner, and an extensive list of State Championships in both academics and sports. Norris was extremely proud of the high school, faculty and staff, and especially the students. He rarely missed an event and enjoyed watching all students' progress and participation. He also relished his active participation at the annual Eastern Maine Basketball Tournaments, where for years he was a fixture at the scorer's table, on the PA or on the floor of the Bangor Auditorium, and finally the Cross Insurance Center.

Outside of work, Norris led an equally active and enriching social life that spawned fond memories of fun-loving adventures and good times spent with his family and wide circle of friends. A few of his many personal exploits and interests included -- camp life and camaraderie at Camp Finally, Snare Brook, Springy Pond and Green Lake along with many hunting, fishing & canoeing trips; his kids' and grandkids' many birthdays, games and special events; a decade of competitive summer softball league play and weekend tournaments with his buddies at the old Dow Fields, across Maine & New England, and a memorable trip to Houston for a national tournament; years of Maine football games, including his son Andy's 1987 Yankee Conference clinching game against UNH in Portland, the annual Maine Football Golf Outing at Natanis Golf Course and several memorable road trips, including last fall's UMaine vs

UMass tailgate party with family at Gillette Stadium; and his entire adult life commitment to fraternal service, fun and fundraising with his many brothers and fellow Shriners of the Anah Shrine. While in the Shrine he served in many capacities, including Potentate in 2009, made innumerable friends, had way too much fun and most importantly worked tirelessly to actively identify and assist Maine families gain access to free medical care and life changing surgeries for their children through the Shriners Hospital for Children.

Norris is survived by his beloved wife and love of his life, Donna Aubrey Nickerson; his three children, son Bruce, his wife Sharon and their daughters, Jordan, Hannah and Gabby of Holden; daughter Kris Summit, husband Ron, and their children, son Mathew and daughter Taylor of Newburyport, MA, and son Andy, his wife Julie and their daughters, Holly and Megan of Holden; Donna's two children, daughter Jennifer Gibbs, her husband John, and their children, son Daniel and daughter Jessica of Old Fort, NC and Kendra Duley, her husband John and their children, daughter Alaina, and sons, Brett and Nick of Bar Harbor; and his best buddy and naughty good dog, Duke. Norris is also survived by his three siblings, brother Raymond Nickerson and his wife Doris of Bedford, MA, sister Beverly Hay and her husband Jim of Racine, WI, and sister Ginny LaClaire and husband Gary of Eddington as well as a good number of nephews, nieces, cousins and near relatives. In addition to his parents, he was predeceased by his previous wife, Linda Myshrrall Nickerson, his dear nephew, Danny Nickerson, and Donna's son, Brett Calvert.

Finally, the family wishes to express our heartfelt appreciation to the dedicated and knowledgeable doctors, nurses and care givers at the Lafayette Family Cancer Center and EMMC for the quality of medical treatment, positive support, enduring warmth and genuine concern for his and our well being throughout his treatments and particularly during his recent hospitalizations. Thank you, you are all angels.

# Potentate's Message

**RICHARD P. HALLETT  
POTENTATE**

## GREETINGS NOBLES AND LADIES OF ANAH

Welcome to spring weather in Maine. I think we possibly may be done plowing and shoveling snow for a brief period of time.

April 26th was a wonderful evening of fine food, great music and just a wonderful evening at Anah's Convertible Super Supper. I can't say enough good about that evening.

Next came our Circus May 2, 3, and 4th in Bangor and regardless of the final figures it was a real success. The shows were great and to see all the nobles, ladies and in many cases their children and grandchildren all working together, laughing and having a great time and all the while working hard and getting the job done so very well. Thanks to you all for proving we can and will make our organization a success.

Then we look forward to May 8, 9 and 10th our Circus in Presque Isle and all things being equal we should be successful then as well.

May 20th will be our stated meeting in Bangor and I'm looking forward to seeing all our unit and club leaders at this meeting. We are sure this will be a very informative meeting for all who are able to attend.

June 6th our doctors, nurses and staff

from Shriners Hospital for Children, Springfield will be in Bangor for our clinic.

June 19, 20 and 21st our June Ceremonial in Presque Isle when our Director General Robert "Boomer" Palmer and his helpers have planned a great week-end for everyone to enjoy and have a great time. Boomer has promised me no rain for that week-end.

Nobles be sure and bring in candidates to join what we all know and believe to be one of our world's great organizations.

Well folks, enough for now and again thanks for all you do.

Yours in the faith

Dick Hallett  
Potentate of Anah Shriners

## MINI-BIKES

**Noble  
Scott  
Welch  
Reporter**

Greetings,

The Mini Bike Unit will be riding in the following parades this summer:

- Special Olympics - June 6
- Presque Isle Ceremonial - June 21
- Eastport - July 4
- Machias - July 4
- Jonesport - July 5
- Lincoln - July 19
- Hermon - August 9
- Farmington - September 6

The Minis will also be competing this year in Springfield. The last two competitions we competed in Cape Cod and Bangor we were the unit to beat. Competing against other Shrine two-wheel units is the bomb. Winning multiple trophies really rocks.

With heavy hearts we said good bye in April to our past Captain Frank McGillicuddy. Frank was a great Mini Biker, dedicated Shriner and Mason, and was very involved with the Blue Knights, Maine I Chapter. We miss you already

Frank and we send our best to Lady Eileen.

That's it for now. Until next time, remember, when riding lead don't spit. SAW

## KEYSTONE

### KOPS

**Noble  
Fred Beylerian  
Reporter**

The Circus has come and gone for another year and the Chief wants to thank all the Keystone Kops for a job well done.

Schedule of Events: Special Olympics Parade June 6, 2014, Bangor Truck Equipment Steak Feed August 7, 2014 and Keystone Kops Annual Steak Feed August 15, 2014. Other events will be announced when they are finalized.

Birthday wishes for the month of June 2014, go out to Kops Greg Hall, Lewis Beal, Shawn Cowan, Fred Beylerian, Erick Emery, Richie Sprague and Lady Jackie Jones. Happy Wedding Anniversary to J.R. and Cindy Tozier. Congratulations to all and may you have many more.

Now to the lighter side. Last month's question was: On December 25, 1901, the U.S. Navy gave up the use of message carrying homing pigeons in favor of what? Answer: A New York Times headline, Navy Pigeons To Go. For years the Navy had used carrier pigeons for ship-to-shore communications. The Marconi wireless changed all that. The pigeons were put up for sale. Unfortunately, there was one detail the Navy hadn't thought through. The pigeons were trained to fly back to the shipyard making them less than useful to everyone not in the Navy.

This month's question is: What do Mickey Rooney and the song "He Ain't Heavy He's My Brother" have in common?

Time has come to close the "Blotter" for this month and to remember, "IT'S ALL ABOUT THE KIDS".

The next Keystone Kops meeting is June 24, 2014.

"Happy Father's Day" to all fathers"

ACADEMICIANS

Noble Ron Bilancia, Reporter

Hello Fellow Academicians,

As of this writing we have not yet had the May meeting, so more on that next time.

WE DO NOT HAVE A MEETING AT THE END OF JUNE. THE CALENDAR IN THE ANAHGRAM IS IN ERROR, AND I AM WORKING TO CORRECT THAT WITH OUR EDITOR. Thanks.

Ritual practice for the June ceremonial will be Sunday June 15th at 4pm at the Shrine Center. As always, this is the Sunday before the ceremonial.

Sally, Lauren, a friend of Lauren's, and I attended the circus in Bangor as we do every year. We went to the Saturday evening show. Steve Mosley, who again worked so long and hard for the Circus, reports on the Bangor Circus as follows: "Setup was hectic starting at 4am, but we had a very dedicated team there that made the work go well. They were spinning cotton candy by about 5:30am. Everybody stepped up and helped make it a success. We learned a lot and to have to make a few small changes, but overall we considered the Bangor Circus to have gone well. Our Novelty sales were down, but we attribute some of that to the many food concessions. The sound and seating are very nice. The Nobles, their wives, and families are what makes Circus work every year, and no matter how small a job anyone had they did it well and were an intricate part of the Circus' success. Thanks to all that volunteer. We had a lot of fun too."

Andy Mays, who worked many of the

Bangor Circus shows, reports much the same and that the Cross Center is certainly better than the old building. Donnie Copeland says that the Academicians were well-represented in Bangor. He, too, says the set-up went off relatively smoothly, given the time pressure, with everyone helping out so well.

Many kudos to Steve, Donnie, Andy, and all the other Academicians who gave their time to help with this year's Circus. Many worked very long hours, and all is greatly appreciated. (As of this writing the Presque Isle circus has not yet occurred. More on that next time.)

I hear tell that Bud Young recently injured his thumb while working at his place in Dedham but that he's all in one piece and recovering ok.

We're looking forward to a great June ceremonial up in Presque Isle. If you

want to attend the ceremonial and haven't yet made arrangements, please let your Section Master know, or contact me with any questions, and I'll put you in touch with whomever necessary.

Donnie Copeland reports that in addition to all his work with this year's Circuses, he has done a lot recently with other Masonic entities, and has somehow even found time to mow his lawn. Great work Donnie. All of the efforts on behalf of Masonry and Shrinedom are much appreciated. J

Sally, Lauren, and I had a fun time in New York City in April. We saw all the great sites including Central Park, top of the Empire State Building, 9/11 memorial, Statue of Liberty, and others. We saw a Broadway show, and Lauren got a new little "friend" to bring home from the famous American Girl Dolls store on 5th Avenue. A good time was had by all in the big city.

Have a great June everyone, see you at the next meeting, and remember, never hesitate to contact me at 989-2617 or at [rbilancia@roadrunner.com](mailto:rbilancia@roadrunner.com) with any questions, concerns, news, jokes, gossip, nonsense, or just plain outright lies that you would like to generously share with our Nobles, Ladies, and Anah Shrinedom in general.

## SECOND SECTION

Noble Fred Patterson, Reporter

Greetings Ladies and Nobles. As I write this article I am just arriving home from the weekend of the 2014 Anah Shrine Circus. From my seat it went off pretty smoothly at the new Cross Insurance Center, it made an excellent venue to hold the Circus and the staff there made every effort to make things run as smoothly as possible. Congratulations to Circus Director Denny Hill and staff for a great weekend. Although we had some rain on the last day it didn't seem to dampen the spirits of those in attendance or the workers who put in tireless hours. The Second Section customarily sells programs to those coming to the show, but if you looked around we had people scattered about doing all sorts of various jobs. Along with all of this comes the meals team that served 815 meals from Friday night on through Sunday afternoon. Speaking of those meals, we couldn't do all of this without the cooking expertise of Noble Bob Marin and Donnie Merrill who spent more time at the temple cooking and cleaning than most people did at the Circus. For those who don't know, Bob and Donnie make everything from scratch and don't just purchase these meals. From the chicken pot pie to the corn chowder and chicken stew to the shepherd's pie, the baked beans and the "Hallet Hash", everything was made from scratch and everything tasted awesome. For those who came through the line and ate, you saw many Ladies and Nobles who were there all weekend long and helping out and they should be recognized as well. Ladies Jaime Beals, Monica Patterson, Annette Marin, Deanne Merrill, Linda Higgins, Cindy Johnson, and Nobles Albert Higgins, Tom Breitweg, Todd Miller and Director Adam Beals. They all went from the temple to the Cross Center numerous times a day to prepare the food and then set it up at the Cross Center in time for everyone after the shows. Not to forget our Nobles and family's spending time outside among the crowd before the shows selling programs. A huge congratulation to one of the Second Section newest members, Noble Bill Harris and family who never missed a show and didn't miss many sales of programs either. Along with Bill, we had a small group of Nobles on hand selling programs. Nobles Bob Mott, Mike Gray, Joe Kitchen, Rich Johnson, Clayton Wallace, Jerry Hayes, Greg Patterson, Andrew Patterson, Harland Williamson, JR Mitchell, Joe B. Rollins and I even sold a few as well. Thank you to all who either spent the weekend there or showed up when you could, your help is greatly appreciated. For those of you who are not listed, I apologize, but I did the best I could recollect.

When everyone receives this article, the June Ceremonial is just a few week away in Presque Isle. As always we should be in line for a great time. It's my understanding that the Second Section will be held at the Forum in Presque Isle before the parade and we will be running a limited amount of candidates. Details of how everything will flow will be explained at the June meeting and the Ceremonial. The Section has once again been asked to take care of the parking at the Cross Insurance Center parking lot for the American Folk Festival on August 22, 23 and 24. We have agreed to be present for this weekend and we will need as many hands on deck for this as possible. This has been a pretty good fundraiser for the unit and please make some time to be available for this.

The Second Sections fifth annual Noble of the Year party is set for November 8, 2014 at Anah temple. The recipient of the honor this year is the long time unit head of the Go-Karts, David MaGoon for his tireless dedication to Anah Shrine and the Go-Kart unit. This party been a great time for the past four years and with this year's recipient it is sure to be a heck of a time. Tickets will be available by the June Ceremonial so see any Second Section member to purchase your tickets. Stay tuned

for further information in upcoming Anahgrams.

The Second Section received applications from two new Nobles wishing to join the unit at our May meeting. Noble Keith Romprey from St. Albans sponsored by Noble JR Mitchell and Fred Patterson and Noble Michael Bunker of Eastbrook, sponsored by Nobles Doug Hardison and Cory Cirard were voted into the unit at our meeting. Congratulations to these two Nobles and we hope you become an active member of our unit.

June birthday wishes go out to Ladies Debbie Hill, Monica Patterson and Nobles Doug Hardison, Albert Higgins, Jason Snowdeal, Doug Dulac and Dana Hewes

June anniversary wishes go out to Burnham & Amy Gaff and Rich & Cindy Johnson.

Our next scheduled meeting will be held Friday, June 6 at the Shrine temple. Extensive discussion will undoubtedly be required to go over the June Ceremonial floor work and to also clean out the trailer and check all of the stunts to assure they are in good working order. Attendance is important at this meeting to make sure everyone knows what to expect at the Ceremonial. A lot will be discussed and everyone should try to attend. The June meeting is our last meeting for the summer and we will resume meeting in September.

Until next time, think membership and the Ceremonial.

## Directors Staff

Noble Dave Weaver - Reporter

As I sit here at my PC the 1st part of May I'm happy to report that the snow around our house is finally gone. Amen!! The grass is mostly all green and growing fast as it does this time of year. I have my lawn mower all ready to go and I also have my boat ready to go. I just don't know which one I'll use first. Unless this year is an exception I know I'll use the lawn mower more often.

The Circus is behind us and I hope it was a success. Denny Hill and Steve Mosley, among many others, put in a lot of work to make it the success that it was. There were a few glitches but over all I thought it came off pretty well. One had to always keep in mind that it was a totally new venue and it was unfair to the circus crew to compare it to the old auditorium. It was my first visit to the Cross Center and I was really impressed. What a building. This building definitely defines the difference between an Event Center and an Auditorium.

There is a walk through for the Ceremonial scheduled for Tuesday June 6, at 3 PM at the Aroostook County Shrine Club in Presque Isle for all interested parties. This is a very important function for anyone involved in the ceremonial itself.

I just got off the phone with my very good friend Bob Young. He told that his wife Claire is not feeling very well. I was very sorry to hear this news. I know she has had a very hard winter with medical problems, one after another. I'm sure she would appreciate a card if any of you feel so inclined. Their address is 2 Fairview St. Belfast Me. 04815. Thanks.

I guess that's about it for this month. Shake the bushes for some candidates to join our fine fraternity. Be good to one another and support the Blue Lodge.

## "FROM THE RECORDER'S DESK"

Larry L. Hersom  
Recorder, P.P.

The June Ceremonial is fast approaching, and tickets are still available for all the fun-filled activities in Presque Isle. The cut-off date for tickets is June 13. The Aroostook County Shrine Nobles and Ladies have been planning for months, and they are sure to show us a great weekend. A reminder that current dues cards are required in order to attend the June Ceremonial events.

A big thank you to all Nobles and Ladies who helped make our first circus in the new Cross Insurance Center such a big success. Now that we have a feel for the new complex, we already are discussing next year's circus and various tweaks to help improve upon different aspects of our project. We certainly could not have accomplished it all without the hard work and voluntary hours of so many Nobles and their ladies. We all have a great time together, and delight in seeing all the happy faces of the little children when they meet one of our Anah Clowns.

The Second Section does an amazing job of feeding all the circus workers during the three day event. They spent

hours in the temple kitchen preparing the most delicious home cooked meals, then transporting them to the Cross Center. A big thank-you to Adam Beal and Jamie and the unit members for their dedication and hard work – what a group of great cooks!! It was also nice to have Potentate Dick open each of our shows and welcome and thank the public for their support.

We were all saddened by the loss of one of our cherished and dedicated Past Potentate's Norris Nickerson. His many years of service to Anah, the Springfield Hospital, and his many hours organizing our local children's screening clinics will certainly be remembered. Our thoughts go out to his wife Donna, and his family.

Start making your plans to attend the Northeast Shrine Association Field Days in Springfield, MA. That will take place August 21-24 with unit competitions, parades, dinners, dances and Six Flags of New England entertainment. It is a great chance to meet Nobles and ladies from other Northeast temples, and of course, great shopping for all the ladies!

I look forward in seeing you at Anah's summer activities, most especially Potentate Dick and Carolyn's Ceremonial in Presque Isle.

HANCOCK  
COUNTY  
**SHRINE CLUB**  
Noble William Geel, Reporter

The May 6th meeting was held at Pat's Pizza with 25 members present. The meeting was called to order at 6:30 by President Jason Snowdeal. Old and new business was discussed. The next major event on the agenda is the lobster feed at Alvin Heath's on June 11th. Let's all get out and bring a fellow Noble or a fellow Master Mason and have a good time. President Jason also talked about Anah Can Tabs for Kids. Your Reporter took the initiative and brought in a gallon bag of tabs. He was thanked by the President. Now it's up to the rest of the club to see what they can bring in. I assured him I would bring in two gallon bags next month. I hope there are some fellow Shriners that can match me. It takes more than one Shriner to support this effort. Joe Marshall won the winter fuel raffle. Gary Jordan won the nightly raffle and I hope he reported his winnings to his wife. The meeting adjourned at 7:20. A good meal was had by all.

Jason Snowdeal has tickets for the lobster feed \$30.00 per person. His phone number is 479-3699. Remember, it is lobster or steak and it is open to all Nobles and Masons.

The next meeting will be June 3rd at Pat's Pizza. Remember, bring a fellow Noble or Mason and have a good time. Membership is declining and our President is trying to revive it. He is doing a good job and we should support him to the best of our abilities.

Now for the local news. Noble Steve and Wanda Fernald have returned from their honeymoon in South Carolina. Hope they didn't encounter any snow. They should have because we haven't had much warmer weather up north. Steve and Wanda's daughter, Alice, is somewhere in Virginia on her trek on the Appalachian Trail. Rodney Pinkham is doing okay at rehab in Brewer. Past Potentate Geddes Simpson and Lady Carole (with an e) haven't left on their newest vacation yet. I was out roaming around on April 25th and caught Bruce Cameron mowing his lawn. I don't think he knew I was watching and I thought there was snow in his back yard. Yours Truly and Noble Forrest DeMeyer haven't had much luck on our turkey hunt, but like Forrest says, I have to get out of the truck once in a while. And more likely, I should get under the cover of a blind. He also told me I can't call them with a duck call. By the end of this writing, most of the snow bunnies should be home. Noble Wayne, where are you? Lost somewhere

in the oasis of the south? Your chateau looks pretty empty. Hope to see you soon.

Don't forget June Ceremonial June 19 - 21st in Presque Isle and show everyone what Shrinedom stands for.

Those celebrating birthdays are Allen Sawyer, Kathy Prouty, Cynthia Lambert, Grace Albee, Anita DeMeyer, Nancy Madore, Marilyn Crocker, Steve Fernald, David Ballard, Jason Snowdeal, Mary Jordan, and Scott Picard.

Honeymooners are Tony & Wendy McKim, Jesse & Brenda Thomas, Irving & Margaret Smith, Randy & Sandra Sawyer, Bud Jr. & Kathy Prouty, Wayne & Phyllis Butlewr, Bruce & Cindy Walls, James & Cynthia Lambert. David & Linda Ballard, and Larry and Joyce Wasson.

A good time was had by all at the Hancock County Shrine Club Ladies Night.

Time to go. Cookie didn't tie the boat up. Guess I gotta go swimming.

She's looking at me like I'm not very smart, but I guess I am because I brought the doggie bones. Oh well, like man's best friend, I have to go swimming too.

## LOBSTER BOATS

Bill Geel, Reporter

The May 10th meeting was held at Ed Pellon Center in Machias. More to come next month. Yours Truly and sternman Forrest DeMeyer will once again attempt the rough seas at McCatherine Narrows and this time I brought a fan big enough to blow the fog off Jonesport Reach. If the wind picks up during the day, Noble Runtz, it's just us outside the harbor. From there, we hope to make it to Machiasport Bay and up the river again to Machias. Can any of you guys remember when the turntable bridge was located in Machiasport? P.S. I can't be that old - or can I? I don't want you fellow lobstermen to worry - I don't like traveling the seas at dark, so I have a limousine coming to pick us up.

The unit is still looking for new members to fill some of the boats, so if you're looking to join a fun-filled unit, call Captain Carroll Chandler at 497-2631, or, you can call Yours Truly and I'll tell you to call Captain Carroll Chandler. Remember, my number is in the phone book - you just have to look for it. My wife says I'm not supposed to give it out, so I'll leave it up to everyone to figure it out. At the upcoming meeting, we are going to discuss upcoming parades. More next month. We're looking for a few good boats to travel to Presque Isle for the June Ceremonial - June 19th - 21st. But remember, it's not whether you have

enough gas or diesel fuel, it's the bilge pump you should worry about. Noble Wayne B., did your boat have an electric or hand pump? Or can't you recall those days? Are you available if called upon?

Whoops! Gotta get to Runtz's boatyard in Jonesport to check on the boats. Hope the snow is gone. One thing I do have to remember is to make sure my compass is in good order. Remember, Runtz, it's not because of the fog.

Until next time, let's hope the seas to Presque Isle are calm and the day is sunny, so we can support the Captain of our unit and Potentate Richard Hallett.

Those celebrating birthdays are Gene Carter, Nancy Madore, Cheryl Monson, Steve Fernald, Anita DeMeyer, and also our fog-bound celebrity, Runtz Farnsworth. Hope all have a great and happy day.

Honeymooners are Past Captain Wayne & Lady Phyllis Butler.

TRI-COUNTY   
**SHRINE CLUB**  
 Noble David Mosley, Reporter

Tri County Shrine Club held their monthly meeting on April 16th, at Barbs Village Square Restaurant in beautiful downtown Corinna. The 22 Nobles and one guest were treated to an excellent evening. After the Libation Hour, the meeting was called to order by President Dan Costain. The Invocation was given by Noble Donald "Bo Bo" Young. The salute to the flag of our country was led by President Costain. We were then treated to an excellent Meatloaf Supper. After the meal,

President Costain introduced the head table. It consisted of Treasurer Marty Taylor, Speaker for the evening, Seth Bradstreet III, Past Agricultural Commissioner of the Maine Potato Board, also Co-Owner of Bradstreet Farms. Rounding out the head table was Vice President Arthur Watson and Secretary Dave Mosley. Unit Heads in attendance were Scott Folsom of the 4X4's, Darrin Engersol, Chairman of Anah's Public Relations and Dick Dunham of the Convertibles. Ambassador T-Bob Buckland was in attendance, welcome back T-Bob. Aide Emeritus present was Ron Green. Past Potentate F. Lee Kaufman was also in attendance. The speaker, Seth Bradstreet III, gave a very interesting talk about the history of the potato industry in central Maine. Contrary to popular belief, the hub of the potato industry was located in our area. Seth answered any questions that were directed to him. The Treasurers and Secretaries report was read and accepted.

Don't forget that the Circus is rapidly approaching, many hands make light work. The 50/50 was won by the speaker, who donated his share back to the club. No further business, the meeting was adjourned by the President. A short Directors meeting was held after the regular meeting. It was voted to have Tri County look into having a phone call system instead of the postcards. Noble Ron Green is in charge of this project. It was also voted to purchase a Prepaid Card to pay for the monthly charge.

Once again WCSC had an excellent turnout! We welcomed back all the snow birds and had the Directors' Staff in attendance as well. Among the amazing group we had were a great collection of Past Potentates, including Sonny Crocker (1983), Donny Maxim (2000), and Chuck Kennedy (2010).

A wonderful meal was on hand cooked by Alfred Reynolds, Charlie Pray and Josh Treat. Down home bean hole beans, hot dogs, coleslaw and a spectacular blueberry cobbler provided by Betty Bowen.

Don't forget the many important events coming up in the next few months. The ceremonial this summer in Presque Isle is fast approaching. We had a great group last year, let's double it!

The Dryden Dutch Golf invitational is right around the corner as well. There's always a great turn-out and we have a great time. Make sure you get your teams lined up in advance and be ready to play some golf. Contact Noble's Mike Giles and Dave Bowen for more information.

As always our regular meetings are on the second Thursday of the month. Our next meeting will be held June 12th and it will be a family setting. You won't want to miss out on our great BBQ!

WCSC is still holding a gun raffle that will be drawn Sept 24th. There are a total of 2500 tickets and they're going fast! Contact one of the WCSC Nobles to get your ticket today!

We want to thank the Mid-Coast Shrine for being in attendance as always. On June 10th we will show support for them at the newly renovated Lobster Pound. As always it's a great time and we have a huge turnout.

Hope to see you all soon, remember our next meeting is June 12th.

**Reporter Noble Harold Adams**

Hello everyone. The Circus is over and they are headed home. There were a lot of changes at the Cross Insurance Center for us, but it was a great week-end. We had a lot of help, some new and of course our die-hards. We want to thank all of you that put time in for us. Martha Goodness, and Josh Goodness your help all these years are dully noted and very appreciated. Twins, Dylan and Ethan DeWitt thank you for doing the leg work for us that don't move as fast as we once did. You both have been such a

big help loading and unloading the trailer. It was nice to have two of our new members helping, and getting broken in to the circus. A big thank you to all of you that helped during the week-end. It makes for a long week-end but it is so worth it for the kids. We have the Special Olympics in Orono, Friday, June 6, be there at 5 o'clock for line up. The June Ceremonial is June 19 - 21 in Presque Isle, the parade is Saturday with step off at 2 o'clock. We hope to see a lot of you there, there is always a lot of fun to be had during these week-ends.

Birthday wishes going out to Nobles Grayson Wentworth, Kenneth Perkins, Ryan Collins, and James Hamilton. Also, Lady Jeri-lyn Shoro. Best Wishes to all of you. Congratulations for another year together Noble Harry and Lady Judith Pratt, and Noble Kenneth and Lady Nancy Perkins, Happy Anniversary to the four of you.

Our next meeting will be Tuesday, June 3 at the Shrine Center, see you there. Until next time be safe.

**ANAH NASCARS**

**Noble David "Big D" Varnum reporter**

The ANAH NASCARs congratulate the ANAH Temple on a job well done at the circus this year. With the help of many Nobles, their Ladies, and their kids too, another successful circus is now in the books. Bravo to all.

Spring is in full bloom. The grass is growing and flowers are popping up. The mowers can be heard often enough, as a sure sign that spring is here to stay.

A reminder, that in June, the Special Olympics parade is in Orono. Unit members, come out and have a good showing to this event. This is part of what we do, and it's great to see all the smiles on the kids faces. Also in June, the ceremonial in Presque Isle will be the weekend of June 21st. Again, let's show our support if we can.

Birthday wishes from a car John Moore, Jessica Moore, Vinny McIntyre, Lisa McIntyre, Greg Varnum, Katherine Varnum, David Varnum, Brandon Blaisdell, Lorraine Klug, Tami Linscott, and Michelle Miles. Wedding anniversaries go to Brian and Janice Linscott, as well as Brian and Holly Saunders.

The May WCSC meeting was held at the McClure Building in Machias with the following present: Past Potentate Ed Pellon; Divan Brad Prout; Director Staff David Weaver; Greeters Warren Orcutt, Mike Bailey and Todd Alley; Lobster Boat Unit Troy Huffman; Photographer Richard Kilton; Ambassador BJ Cherry; and WCSC President Jonothan McClure.

We were all saddened by the death of Past Potentate Norris Nickerson on April 16, 2014. Our condolences go out to him and his family.

Our own Sandi Look is still having her chemo treatments and doing well. We miss Sandi's presence but she will soon be back enjoying her Shrine events again.

Reports are that the Island Party was a sold-out event and everyone present had a wonderful evening.

The Annual Shrine Circus is now behind us in both Bangor and Presque Isle. The Bangor Circus was held in the new Cross Insurance Center and is a beautiful building to hold the event.

The June Ceremonial is scheduled for June 20 & 21 in Presque Isle and hopefully we will have good weather for the parade.

The June meeting is a joint meeting with the Schoodic Shrine Club and will be held at the Stuart Greene American Legion Hall in Lubec on June 18th.

Happy Birthday wishes for June go out to, Anita DeMeyer, Judy Farnsworth, Julian White, Joyce Tarbell, Karlene Mehan Luxor, Gayle Sprague, Steven Fernald, Susan Chandler, and Eldon Hayward.

Anniversary bells rang out in June for Past Potentates Donald & Bert Maxim, Albert & Barbara Gibson, Alward & Karlene Mehan; Eldon and Carolyn Hayward, Elliot & Joyce Tarbell, James & Joni Cox, and Dick & Linda Mahan.

Remember, keep yourselves safe with whatever recreational activities you embark on this summer. Have a wonderful 4th of July Holiday with family and friends.

**Noble David G. Beckett, Reporter**

Greetings from Schoodic Shrine Club:

We did not have a Shrine Club meeting in April, but the May meeting was scheduled for the Congregational Church in Dennysville. Our June meeting is the annual joint meeting with the Washington County Shrine Club. This is the famous steak and chowder feed prepared by the Brethren of Washington Lodge No. 37 in Lubec America. The meeting will be held at the Lubec American Legion, beginning with the social hour at 5:30 pm on June 18th. This is a Ladies' Night.

The July meeting is the equally famous steak feed held at Eastern Lodge No. 7 in Eastport. This meeting will be held on Wednesday, July 23rd, beginning at 5:30 pm. The meeting is held on the 4th Wednesday of July, because the annual Past Masters' Association meeting is always held on the 3rd Wednesday. The Shrine Club meeting on the 23rd is Nobles and Blue Lodge members only.

I visited with Noble Bud Chaffee at New Horizons on South St. in Calais the other day. He is doing well and would love to have a visit from other Nobles and Brethren. Gave him one of the Potentate's lapel pins, which he was very pleased to

receive. I also visited with 50 year member and Noble Jimmy Walker the other day. Jim is living at Washington Place, 40 Palmer St., in Calais. Jim would love to have a visit from some of our Nobles and Brethren.

Our potentate, Illustrious Dick Hallett, is having a great year. We look forward to his visit in September at the Meddybemps Community Center. More about that later.

Enjoy the spring weather?

'Til next time!

The Bangor-Brewer Shrine Club celebrated the end of tax season and held a meeting on April 17th at the Shrine hall. Hopefully you all made your peace with Uncle Sam! It was another big crowd with 56 Nobles and Ladies on hand. Visiting dignitaries included: Larry Hersom (Recorder and Past Potentate); Jesse "Practically Perfect" Thomas (Chief Rabban); Bob Turner (Assistant Chief Rabban); Roger "Living the Lifestyle" Grindle (1st Ceremonial Master); Gordon Smith (Chief Aide); and Dean Hoke (Chief Director). Home Depot Workshop on April 5 kicked off April's activities with a large turnout of kids attended to by Div-It (Duane Young), Slap-Shot (Dale Hatch), Fou (Martin Perfit), and Troy DeVoe (Pop Fizz) who even though still a probationary clown is teaching the rest of us several new balloon animals.

The very next day brought three Anah Clowns to the Elizabeth Levinson Center in Bangor. Stitches (Jeff Adams), Petals (Steve Watson, and Fou (Martin Perfit) helped the residents celebrate their friend Larry's birthday. An enjoyable and very noisy time was had by staff and residents alike.

Circus Kick-Off took place at the Bangor Mall on Saturday, April 12 with Anah Clown Unit well represented by Fou (Martin Perfit), T/C Trash Can (Bill Taylor), Div-it (Duane Young), Gumpy (Mike Robshaw), Bo-Bo (Donald Young), Piggy (Tom Vanchieri), Spiffy (Kerry Spofford), Pop-Fizz (Troy DeVoe), Dumpster (Dennis Dyer), Dim Wit (Scott Kenard), Papi (Stan Baker), & Coota (Arthur Watson) entertaining passersby and disrupting the flow of shoppers.

Immediately following this event Fou (Martin Perfit), Div-It (Duane Young), & Pop Fizz (Troy DeVoe) headed for Family Fun Bowling Lanes on Outer Hammond Street in support of the Pathfinders' Annual Bowl-A-Rama.

Bikes For Books at the Hermon Elementary School took place on April 18 during which the program was repeatedly interrupted by Piggy (Tom Vanchieri) and his henchman Fou (Martin Perfit). Needless to add that he children and staff were delighted by their antics.

It was Chapin Park Block Party on steroids at the Cross Center for Kids Fest on Saturday, April 19. Slap Shot (Dale Hatch) & Fou (Martin Perfit) performed

a two man balloon twisting marathon at the Home Depot both. The pair twisted balloons with no break from 10:00 AM to 3:00 PM.

The column closes with a thought for the day: After all is said and done, there is more said than done.

Well, we are all packed and loaded for the Spring Ceremonial in Presque Isle. Hopefully all our practicing will show in our performance and we will make a joyfull noise as opposed to the other kind of noise. Jimmy Leighton tells me he has got a bunch of new jewellery and stuff that we will have available to sell.

I am sad to say that one of our longstanding members, Hank Brown, passed away on April 27. Hank was one of the first members I got to know in the Chanters. He was a very open and friendly brother who usually had some interesting or funny item that he had found on the internet that he wanted to share.

Happy birthday wishes to Charlie Brown and Happy Anniversary to Janet and Ron Moll and Suzanne and Orland Shorey.

Stagecoach Catering. Elvis was in the building! Anah's own Harry Pratt, Sr., Provost Marshal of the Provost Guard, took to the stage in his blue suede shoes and serenaded the Ladies with many of the King's favorites. That guy's got a head of hair! It was a lot of fun and most took to the floor to shake off their winter blues. Even better, Elvis is now our newest lifetime member of the Club. Thanks so much, Harry. You may recall that last month the green-haired golf player who was sitting next to me won the 50/50. I'd promised to not report his name – he didn't want the Mrs. to know that he had a little extra pocket change. Well – guess what? His wife won the 50/50 this month! Congratulations, Mrs. Div-It! Just remember folks – you can't win if you don't play.

As has been reported, our club is selling "100 Pound Lobster Raffle" tickets. Tickets are \$1.00 apiece or six tickets for \$5.00. Three lucky tickets will be drawn on June 21st during this year's Ceremonial. 1st place will win 50 pounds of lobsters, 2nd place will win 30 pounds of lobsters, and 3rd place will win 20 pounds of lobsters. Anah Shrine's own Joe McDonald is providing the creepy crawlers and will coordinate with the winners to arrange for delivery. Sounds like a summer party to me! A limited number of tickets are available, so please contact a member of the Bangor-Brewer Shrine Club or visit the Temple office to get yours today.

**Anah Can Tabs For Kids**

Did you know that the aluminum tabs used to open your favorite drinks also have the power to help kids defy the odds? Shriners Hospitals for Children® provide medical care to children with spinal cord injuries, cleft lip and palate, or are in need of burn or orthopedic care, regardless of the patient's ability to pay. You can help make a kid move again, walk again, smile again just by collecting your can tabs and dropping them off here. A Shriner will pick them up and the proceeds will be forwarded to Shriners Hospitals for Children®.

**Frequently asked Questions on Can Tabs**

1. Why not collect the whole can? Collecting complete cans would require a great deal more storage space. You can go ahead and return the can in the normal way and donate the money to our Hospitals
2. How many tabs in a pound? 1267
3. How many tabs will a gallon milk jug hold? About 5 pounds

**HIGHLANDERS**

Noble  
Mike Murphy  
Reporter

Greetings Nobles and Ladies! I'm writing this in May, but by the time you read it, June will be upon us. Your highlanders are working hard on our sets of tunes. On May 11th, we played for the Husson Graduation. Noble and Emeritus Highlander Dick Trott started this tradition. A Husson alumnus and current Trustee, Trott use to play this event alone. When I graduated from Husson in 95, I remember thinking, "Where did they find a bagpiper in Highland gear in Bangor Maine?" A little over three years later, I joined the Shrine in the one day class and it was Dick Trott who set the appointment for me to come to the Shrine Hall and start lessons with Paul Hazard. My neighbors are thankful that Paul's lessons took.

Our June parade season will start off without me as I have other commitments scheduled, but by mid-month I should be back. We are scheduled to play at the graduation of the College of the Atlantic. The band likes that event, because the location of the College is so nice.

We were recently contacted about appearing at the Maine Highland Games in Brunswick this August. We have not appeared there for several years and many members are looking forward to it. It was a tough choice as several members cannot get that weekend off and the Northeast Shrine weekend.

Last month I reported that I had finished my book, "Our Real War: What Happened to America." It is available for sale on Amazon.com. I don't know how much of an impact this book will make, but it has taken over four years to write. As a result of writing the book, I've fallen behind in my piping. I have a half-dozen tunes to learn to catch up. I have to learn the music to "Loch Lomond" as most know it, but in my case the Irish version of the tune is "The Red Rose", for my wedding in June. I'll then pour all of my piping skills into learning "The Bells of Dunblane." It is one of the best tunes that I've ever heard. I believe that it was written as a remembrance for the Dunblane school massacre in Scotland, where 16 children and one adult were murdered by a crazy unemployed shopkeeper. Look it up on youtube, it is an awesome remembrance for that tragic event.

If anyone would like piping or drumming lessons, please contact me at [pingleprechaun@hotmail.com](mailto:pingleprechaun@hotmail.com). Until next month, be blessed.

# THE CONVERTIBLES

Noble Gaylord E. Sundt, Reporter

Apparently email doesn't travel north very well from North Carolina where we were last month when the deadline hit. I'll have to go back to the Starbucks there and complain about their "free" service. Ever buy a coffee there? Guess I'm just old school or maybe just old.

This years SUPER SUPPER was just that. SUPER! I think everyone had a grand time. Next years will be the unit's 30th, so get your tickets reserved for our special event. Many thankyou's are due to all who contributed to the success of this years event. First of all the clowns are due a big pat on the back for a great meal as usual, great service and great clean-up. Even made a special effort to accommodate my wife's diet restrictions. Thank you to all of them for their over the top job. Thanks also to all the teamwork of the convertible members in pulling this off and to all our spouses for their support. Thanks to the band which did a fine job again. Something for everyone! And finally a special thank you to all of you who bought tickets and attended supporting the wonderful Shrine organization and our unit in particular. It's all about the "kids" and without your support and encouragement, we wouldn't be able to do what we do for them. Thank You!

Lots of birthday and anniversary celebrations. June seems to be a popular month. I once knew a girl named June and she was popular too, but that's another story. John Shea, Alden Tracy, and Julian White probably don't want to be reminded that they will be blowing out the birthday candles this month. Life goes on, go with the flow! Anniversary congratulations this month to Bud and Theresa Morrison, Alden and Pam Tracy, (that's two cakes for Alden this month. Way to go) and Roger and Julie Grindle. Hope you all enjoy your special day, make it special and we wish you all many, many more.

Thanks to Aggie for sending me her list of dates for member and spouses birthdays and anniversaries. A few are missing, so I will be contacting the missing members for their dates.

June 6th is the date for the first parade of the season. The Special Olympics in Orono. Line up is at 5pm and we hope to see you there!

Our convertibles will soon be, if not already, out of storage after what seemed to be an especially long winter. A ride in the sun with the top down will have made it all worth it! Right Mother?

That's it for this month! Keep the wheels on the road. We'll see you there! Reporting this month, Gaylord E. Sundt

**PAST MASTERS UNIT**  
Noble  
Gordon E. Reynolds  
Reporter

Had my May article not gotten lot in cyberspace you would have read: On April 2 we traveled to Benevolent Lodge No. 87 in Carmel and exemplified the MM Degree. Noble Conrad Rollins sat in the East. Our congratulations to Brother Ryan M. Kiritsy. We hope this will be the beginning of a long and active Masonic career. Four non members (of the Past Masters Unit) assisted in the work and were invited to join our unit. We were very pleased to have Conrad Rollins, Jr. make application to join. The invitation to join is out to all Past Masters who are Nobles of the Shrine. Come and join us in conferring this degree.

The current leader of our gang, Noble Ken Swett, informs me that he is working on a degree that the Past Masters could use to hopefully raise money for the unit. He needs the help of our members in putting this program together and he will give out the details at our next meeting.

On April 15 we again had a successful evening at Dover-Foxcroft. Noble Conrad Rollins, Sr., sat in the East and we were happy to have Noble Bud Prouty, Jr. (the first President of our unit) along to assist. Our congratulations to Bro. Jeff Small upon his being raised a Master Mason. We also pray that this will be the beginning of a long and happy journey in Masonry. Once you have gotten settled in and know what it is all about you have the opportunity to gain

more knowledge by joining either or both the York and Scottish Rites. Remember, however, you have now received the highest degree in Masonry, the M.M. Degree. The Rites will give you more knowledge regarding what you have been through. These Rites are worth taking (both of them) and you will not regret joining them.

We are also very happy to extend a welcome to three new members, Noble Joe Marshall, Noble Conrad Rollins, Jr. and Noble Arlin W. Alley. Our next meeting will be a brief one just before the opening of the Spring Ceremonial in Presque Isle, ME. We will meet at 8:00 a.m. on Saturday June 21. We NEED 12 Nobles to do a full "A Mason" ceremony but MUST have at least seven. It is a nice short ceremony. All parts are read so no prior rehearsal is necessary except for brief instructions prior to going on. It is a great experience, one that you will enjoy doing.

## ANKH TEMPLE NO. 160 DAUGHTERS OF THE NILE

Ankh Temple #160 Daughters of the Nile held the 2014 Installation of Officers on March 29th at the Ralph J. Pollard Lodge in Orrington. The Temple was honored to have present Illustrious Potentate, Richard Hallett, Recorder, Larry Hersom, PP, and Assistant Rabban, Robert Turner.

The Downeast Daughters Club held their 6th Annual "For the Children" Fair on April 12th at the Holy Name Parish Hall in Machias. The Club raised over \$500 "for the children" with a baked goods table, a White Elephant table, and a Chinese Auction, along with hot dogs and popcorn for sale. The children attending enjoyed the events at the craft table.

Save the date! Ankh Temple will be holding their Annual Golf Tournament on July 12th at the Barren View Golf Course in Jonesboro. All Anah Shrine Nobles are well to participate by golfing, being a corporate sponsor or "sponsor a hole". More information and registration forms to follow.

Anah Band has very busy this Spring and it looks like Summer is going to be no different for our group. We have been practicing every week to prepare for our very busy parade season. We will be kicking off the season with the Band's favorite parade, the Special Olympics on June 6th! We will be celebrating with the town's of Newport, Sangerville, and Pittsfield this summer.

The Circus was a great success for us and we had several good friends joining us to make sure we sounded full and diverse. To make our circus performance even better, Dr. Tom Pierce was presented a plaque thanking him for his service to not only Anah Shrine, but to Anah Band. The plaque reads: Dr. Tom Pierce joined Anah Temple in 1976 made it through the oriental sands. After retiring from hospital work at the Seabasticook Valley Hospital and his practice he became free on Monday nights to play with the Anah Band. He has done so for many years being faithful to rehearsals and performances helping us to raise funds for our charity. Tom is presently our most senior member in the trombone section and band. We wish to thank him for his musical contribution, his teaching of humility to all

of us and his enthusiastic support for the direct services for children at the Shrine Hospitals.

We are still looking to add some more new musicians to our group; we desire to play some more diverse music and more members would make that job a little easier! Brass, wind, piano, guitar, or piano. Lessons and instruments provided to any and all who will be willing to learn something new. We dedicate Thursday evenings for a practice commitment plus some parades to boot. Practices are currently being held in Bangor at the Shrine and sometimes they are held in Newport.

Remember to find that experienced player or an adventuresome Mason to be a noble and take part with us, they are out there. Non-Shriners are allowed to perform with us for any unofficial events so if you know someone who would like to play that is not a Noble, have them call us.

Well, it looks like I messed up. I think I sent last months column to the old address. So this month I will put in both.

Here we are, warm days, running water, trout rising. WHOOPS, wait a minute, I had to write this column a month ago. Maybe we are a little behind this year. Anyway it won't be long before the warm weather will be with us. We will be holding our 2nd annual golf tournament on June 7th. More information next month.

On March 1st we had our annual meeting at the Happy China restaurant in Bangor. Twenty-six Nobles and Ladies attended. After a short meeting, a great dinner was enjoyed by all. New members Ron Dow and lady Evelyn, Mike Day and lady Jan, and Charles Libby and lady Karen were given a big welcome.

Birthday wishes this month go to Sandy Bussell, Rhonda Scott, Ramon Sudsbury,

Evelyn Dow, and that young guy that is just cresting the hill, Warren Curtis. Anniversary's this month are Dan and Suellen Leighton. This is there 25th. Come on Dan, take Suellen with you when you deliver the next load of pellets and maybe take her to McDonalds!

You can tell when a reporter is getting old, MEMORY goes. As you all have heard me ask for something to put in the anahgram. Well on January 22nd Jaxsyn Theo Nickalas Mallock was born to my grand-daughter, Jaimee. He weighed 7# 9oz, and was 20 and 1/4 inches long. This is our first great grand-child, and we have already had him one night.

Do you remember where it all started? Visit your next Blue Lodge meeting and renew old friendships!

Until next time, SEE YA!

Remembering that I have to write this column a month ahead of time, and I have predicted good weather, I think I will hold off this month as it is the 1st of April and it still looks like winter outside. Maybe there will be no spring this year and someday we will wake up and it will be summer. Our Golf Tournament will be June 7th at the Piscataquis Golf course in Guilford. Hope all you golfers will attend.

Birthday wishes this month go to Jesse Paterson, Gary Sudsbury, and yes, this old reporter. Anniversary's this month are Paul and Rhonda Scott, and Bob and Perlene Libby. By the looks of them, I would say those two guys got very lucky. Next month I should have a parade schedule so we can plan our summer, if it ever gets here.

NEW'S FLASH:

The ELDERY WARREN CURTIS has been spotted coming out of a TANNING SALOON! And here we all thought he was already half baked.

Blue Lodges that go dark in the summer have a lot of work to finish up, and could use your help. If your Lodge does not go dark in the summer, then their work is just getting started, and they could still use the help!

Until next time,  
SEE YA!

Here we are, June, and most of the snow has disappeared. Would like to thank all Nobles that worked the circus. The Cross Center is a great place, and the crowd looked to be good. Our first parade will be June 6th, Special Olympics. The next day, June 7th, we will be having our Golf Tournament at Piscataquis Golf course in Gilford. Hope to see you all there.

Parades this year will be June, Special Olympics, on the 6th, Sangerville on the 14th, and Ceremonial on the 21st. In July we will be in Eastport and Winslow on the 4th, Jonesport on the 5th, Pittsfield and Lincoln on the 19th. In August we be in Dover on the 2nd and Hermon on the 9th. And on September 1st we will be in Harmony.

Last month I think I did remember Bob and Perline Libby's anniversary. But I was just reminded that Perline has put up with the old goat for 55 years, what a girl. Would also like to wish Perline a speedy recovery as she just had knee surgery. Anniversary this month are Neil and Paula Hanson, Charles and Vikki Ryder, and Dale and Jonie Porter. Lets give all those young gals a big hand. Birthday wishes this month go to Paula Hanson, Paul Scott, Alton Shedd, Charles Libby, and Mike Day. Looks to me that Paula is the only ROSE in that bunch of thorns.

Our parades are just beginning and we could use some more members. If you are interested, call myself at 794-6675, or just come to the Temple the first Monday of the month, at 7:00.

Do you know someone who would make a good Mason? Talk with him and maybe we will get a new Shriner!

Until next time,  
SEE YA!

**Noble John Farrington, Reporter**

Recently NPSC has been very lax in submitting a monthly column to the Anahgram. We will try to correct this situation. Since the beginning of the 2014 NP has seen a good turn out of membership and ladies at our monthly meetings. During a blinding snowstorm in February, on the 5th, we exceeded our guarantee for supper with Nobles and Ladies at Grass

Roots Catering in East Millinocket. Deb Grass outdid herself by providing us with a delicious roast beef supper. The Nobles and Ladies enjoyed a relaxing evening of small talk, a report of the recent ceremonial and good old belly laughs while the storm surged outside. Also during this evening PP Tony Bowers and Lady Carmel were presented with certificates noting gifts given in their names to the hospitals. The Club had neglected to recognize the PP and his Lady at the end of their reign during the January 2013 Ceremonial thus, the token was presented during this evening.

NP does not meet during March. Our April 2 meeting found us in Sherman between the high snow banks and the thawing driveway of the Molunkus Valley Snow Drifters. The cooks at this snowmobile club provided a delicious New England boiled dinner with ham. Of course this was followed with numerous choices of pies and hot coffee. A round of applause was accorded the supper crew. It was noted that Raleigh Hanscom is feeling better and may be able to start attending our meetings once again. We learned that Derward Shedd

 is going through some medical concerns at this time. All of us wish him the very best as he and his doctors work through this. The president held a short business meeting and then yielded the floor to our guest speakers of the evening. We heard a nice presentation about the upcoming Bear Referendum from Al Cowperthwaite and his acquaintances. If any club or unit is looking for a guest speaker and have an interest in learning more about this issue, Al would be pleased to make a presentation. He may be contacted at [al@northmainewoods.org](mailto:al@northmainewoods.org). At the conclusion of the meeting and upon adjourning the president bade all a safe journey home and good night.

May meeting of NPSC. Spring is here as evidenced by the fact that I have had my first feed of fresh caught smelts and freshly dug dandelions. Also by the fact that on such a beautiful afternoon and evening as May 7 was, there were only 33 Nobles and Ladies in attendance for a wonderful meal provided by the cooks of the East Branch Snow Rovers located in Medway/East Millinocket. Perhaps the other possible attendees were out catching smelts of enjoying a nice walk on a comfortable evening. Either way,

the rest of us missed them. It was very good to see Raleigh Hanscom and Sheldon Cole back in attendance after a period of health issues have kept both of them from attending our regular meetings. After a 6:00 attitude adjustment time the meeting was called to order at 7:00. The flag salute was conducted and blessings for the food and evening were presented to the Nobles, Ladies and God by Ken Perkins. The snowmobile club cooks attended us with an Italian Theme buffet; home cooked pizza, spaghetti with meatballs and sauce and chicken parmesan. Along with all of the little side things it was a great meal and they received a deserving round of applause. Two fez fines were levied. The 50/50 was won by "Tash" Stanley whom graciously donated the amount back to the Club. The president reported that the ad and ticket sales at this point have reached the amount of \$7500. That is not including ticket sales just turned in by "Tash" and Bryon Sanderson. This may push us over \$8,000. Not to shabby considering that there were just nine of us available to work on the program this late winter and early spring. He also reported that the club, by vote of the Directors, has donated \$100 to the Temple so that another bike could be presented during the Bangor Circus.

The president sought a motion from the floor to make a donation to the Anahgram Boosters as an "In Memory Of" when we loose to the Celestial Lodge above, one of our membership. A motion was given, seconded, amended and seconded, discussed and voted accepted as amended. Mention was made of the circus in Presque Isle, also of the Anah Stated Meeting on May 20 and the upcoming June Ceremonial also in Presque Isle. It was reported that Bob Libby, Ken Perkins and Paul Thornton have been appointed as a nominating committee. If you would like to have an office or serve as a director please give one of these Nobles a call. They will report back at our September meeting. Our next meeting will be held at the regular time on June 4, in Patten at the Rockabemma Snowmobile Club.

At the conclusion of the business meeting the Nobles and Ladies listened to a wonderful presentation by Paul and Deanna House. Paul spoke and Deanna shared a video of their endeavors since their son, Joel, was killed in Afghanistan. Through following Devine Guidance they have developed a program, "House in the Woods", of sharing the out-of-doors with wounded veterans. Totally through donations, they provide veterans with fresh

and saltwater fishing trips, moose, bear and deer hunting excursions as well as the use of ATVs. These trips are completed both in and out of state. What these two have done for returning and recovering veterans, to help the veterans once again feel whole, is just unbelievable. You need to hear them for yourself. Then, you like myself, will know that "thank you" is just not enough! Until next time, be good to one another, work hard, and keep Masonry and Shrindom in your life.

Sunshine Club For Children Children met at the Shrine Center on April 14, 2014. Our speaker for the evening was Alissah Paquette. She told the club about her experience at Springfield Hospital. Both Alissah and her mom, who was a patient at Springfield when she was a child, had many words of praise for Shriners Hospital and the wonderful care they received.

All of the officers read their reports. Transportation Chairperson, Janice Young, reported there were 24 patients from January 1 to April 14, 2014. She also read us several thank you notes from patients.

A suggestion was made to have hospital tours at the Springfield Hospital during Northeast Field Days. Sunshine Club Festival of trees theme this year will be "CHILDREN UP TO ONE YEAR."

President Ellen thanked Charlene Bowden for making our Appreciation Certificates. Invitations to join Sunshine Club have been sent to the new nobles who joined the Anah Shrine at the January 2014 Ceremonial.

# LIFE MEMBERSHIP

If you are like me you have probably been wondering what gift to give a Shriner, for his Birthday or special occasion, who has everything. How about a Life Membership to Anah Shrine? A Life Membership in Anah Shrine is an ideal gift to present to a father, son, husband, or friend. You can purchase a total life membership for \$1,300.00. This includes P.C.M. (permanent contributing member) for Shriners Hospitals for Children. Each Life Membership comes with a certificate that can be framed and he will proudly display.

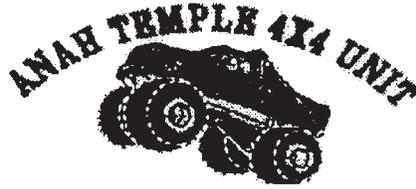

When you give the gift of a Life Membership, all dues and per capita fees will be paid during the course of your favorite Shriner's life. With this wonderful gift you are not only giving to your favorite Shriner, but also to his beloved philanthropy and his fraternity as well. He'll never have to worry about increased dues, including hospital dues; and his Life Membership goes into a secured investment fund that cannot be touched. Anah only receives the interest generated from this fund each year. For more information or payment plan arrangements please contact the Shrine office. (207) 942-2254.

There is no better time to give the gift of Life Membership to that special Shriner. Nobles they also make a great gift to give yourself! This is a worthwhile investment that keeps on Giving!
