### ***The Potentate's Pin for 2023***

Frankie says:

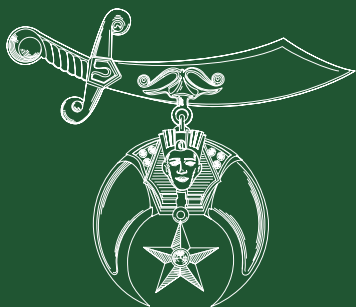

**"Fun, Friendship and Philanthropy "**

Frankie has been my mascot since I was on the Divan, he was a gift from one of my daughters. Every year we change his Fez strip to match mine.

He has been to many events with me. Everywhere he goes he makes people smile and laugh, one of the important missions of the Shrine is to make people happy!

Where else can you go where you can make friends, have fun and help children, all at the same time?

This is what the Shrine means to me and Frankie helps represent that.
