POTENTATES MESSAGE

Adam Beals, Potentate

Another July of wonderful weather has come and gone, and fall is right around the corner as we sit around the campfire at the Anah Friends and Family Camping it's getting a little chilly! The first couple of days at Bayley's Camping Resort have been a little dreary but the rest of the week looks great. We have so many fun activities planned throughout the week. The Beals' family is very thankful for those who have come out to experience our annual end of summer camping trip!

This past month Jaime and I have been very busy between Shrine and our boy's baseball teams. We have travelled to Cooperstown, NY and Connecticut. Our final weekend

Maine Sting hosted the Maine Event in Milford, our home field. July 28th, ANAH hosted a group of Masonic bodies for a strategic planning and membership meeting, this was a good time to brainstorm thoughts about how we can collectively move forward and grow our organizations. This past weekend a big group of us traveled to the Bob Smith Picnic in Jonesport, great food and fellowship despite the fog.

Next month, we have we have around 50 people traveling to Kingston, Ontario for the Northeast Shrine Association Fall Field Days. This is going to be a great event; I would like to thank Chief Rabban Ryan Otis and Director Tom Seymour on all their efforts to make it a trip to remember

Have you gotten your tickets for the Potentate's Reception on October 26th? We would love to have everyone there. The Divan has put a lot of work into that weekend, let's pack the building! This is also the ABCKL visitation weekend, all 5 temples will be represented. It is shaping up to be a great weekend, all of you are invited check the Anahgram for info and DON'T WAIT - Get those tickets!!

It's time again to make sure all of your dues are paid up -We changed our bylaws last year to suspend

nobles who are one year in arrears this means if you haven't paid your 2024 dues you will be suspended. Remember as of December 31st, 2024 - if your dues are not paid YOU WILL BE SUSPENDED. We have been talking about this consistently, we don't want anyone to get suspended. Please, please, please if you have any doubt that your dues are paid in full, call the office!

Pete Loiselle,

Greetings Nobles and Ladies. I hope your summer has been as enjoyable as the weather. It's hard to believe September is here and school has started.

Over the past several months I have encouraged members to be sure to use WebFez for keeping your information up to date as well as for paying your dues. While there are still some who have not paid their 2024 dues, the 2025 dues have been posted. You will be getting your first notification via email right after Labor Day and paper copies will be mailed in October. If you wish to pay our

As September rolls through I hope you've had a great summer. There's lots happening on the grounds of the Club as the City of Belfast and their contractors work to complete the bike path that meanders along Wight street toward city park. Come check it out. It certainly increases walkability and allows for safer access to the City Park.

Are you looking to host a party or an awesome event in Belfast? Look no further than the Waldo County Shrine Club. Our amazing facility is awaiting your next event, email contact@waldocountyshrineclub.org for availability.

Don't forget to mark your calendars for the Summer Ceremonial in 2025, June 19-22 WCSC will roll out the red carpet for you all.

See you September 12 and remember the October meeting is a ladies night at Young's Lobster Pound. Ryan

We currently have 4 stated meetings 3 of which are held on the 3rd Tuesday of December, May, and August and our installation which is the 3rd Saturday of January. The change in bylaws will move the August meeting to September with dates and times at the call of the Potentate. We will vote on this proposed bylaws change in December at our next stated meeting.

Widows

Lorena Fenlason, Reporter

Can you believe we are already getting into the fall .

We have had a wonderful summer. Let's hope the fall will be as good .

In August the widows were given a great tour of Mossy Ledge and had a few samples of the great cordial that are made there . The pizza wasn't bad either . We had a great time. If you have not been there yet , you need to make that trip there to sample all the good stuff they have and make.

Thank you very much Jessie for everything.

This month, on the 25th. we are going to Farmer 's Table in Corina at noon.

Let me know if you will be joining us .

THE ANAHGRAM LOBSTER BOAT UNIT

William Geel, Reporter

The unit had a good showing at Milbridge Days on July 27th. It was a good parade with six boats and the cutter making a showing. No one got towed.

On August 10th, the unit sailed to Winter Harbor for the lobster festival. The lobster boat races were postponed due to weather conditions. There was a heavy fog, but the parade went on. It turned out to be a beautiful afternoon. We had a great showing of 9 boats and the cutter. Joe Sargent was at the end of the tow rope.

We extend our sympathy to the family of Past Potentate Ed Pellon who passed away recently.

Those celebrating birthdays in September are Mary Hanna and Clint Richardson.

August honeymooners are Joe and Vicky Sargent and Dennis and Tammy Sargent.

Be on the lookout for upcoming notices about the Evil Greenskeepers Golf Tournament at the Barren View Golf Club in Jonesboro coming up the end of the month!!!

Feztival of Trees

Hello everyone, As we move into September that means the Feztival of Trees is not that far away. The committee has been meeting the last couple of months getting the preliminary stuff going behind the scenes to get ready for the big event.

Kristina and I as heads of the ticket sales and manpower departments again this year want to send out an early reminder to please look at your calendar and mark down the dates of the event to help make some time in your busy schedules to give us some help.

Many hands make light work, if everyone could work a shift or two it would be very helpful and easy for us to fill the schedules (help really needed on weekdays!)

What are those dates of the Feztival, that would be November 21st, 22nd, 23rd, 24th, 29th, 30th and December 1st.

Kristina and I will start making phone calls, sending emails and messages on facebook to fill our schedules starting in October. We will have another article next month with more details on what is needed, shifts, email and contact info for us etc.

If you do have questions now and want to ask us, call us Kristina/ticket sales at 207-717-5347 and Aarron/manpower at 207-991-2658.

ANNUAL NOBILITY AWARDS & HONORS

ACCEPTING NOMINATIONS UNTIL SEPTEMBER 22ND

WWW.ANAHSHRINERS.ORG/ANAHNIGHT

The Noble of the Year award

is given to recognize the contributions a Noble provides to substantially benefit their community, unit/club, mission of Shriners International, the efforts of Shriners Children's and/or Anah Shriners as a whole and truly embodies the spirit of being a Noble of Anah Shrine. This honor is intended for recognizing the full body of work a Noble has given to strengthen the brotherhood, Shriners fraternity and Anah Shriners as well as benefit the philanthropic efforts of Anah.

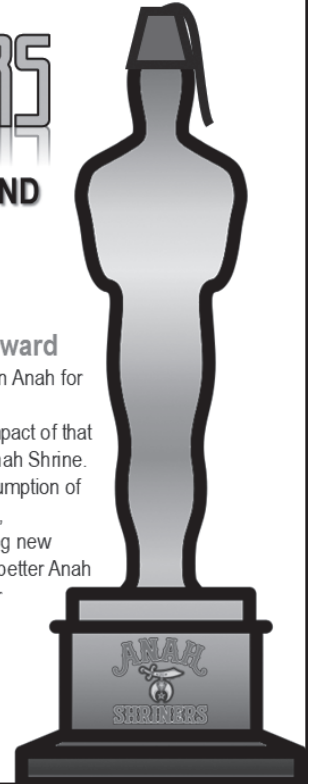

The Lady of the Year award

is given to recognize the significant contributions a Shrine Lady provides to Anah Shriners, Anah's units/clubs and support of Shriners Children's. As defined by Shriners International, a "lady" is as a spouse of a Shriner. For this award, we will observe both legal marriage and Maine's domestic partnership law (unmarried adults who have lived together for at least 12 months) as qualification as a Lady of Anah.

The Rookie of the Year award

is given to nobles who have been in Anah for 18 months or less to recognize the importance of engagement, and impact of that engagement, as a new Noble of Anah Shrine. This may be achieved by their assumption of leadership roles in their units/clubs, developing new initiatives, recruiting new Nobles or other similar efforts that better Anah Shriners, our units/clubs and/or our philanthropic efforts.

Unit/club heads – please be sure to submit your member(s) of the year by the deadline. These awards are decided by unit/club leadership and will be given based on the criteria of the unit/club's choosing to recognize outstanding members.

HELLO NOBLES - THE MEMBERSHIP COMMITTEE NEEDS YOUR HELP!

This year marks the second of what the Membership Committee hopes to be a long-standing event designed solely for the purpose of honoring and appreciating all the amazing work of the Nobles and Ladies of Anah Shriners. No raffles, no silent auctions, no anything else - just a night of appreciation. This year's event is Friday, October 11 at Anah Shrine. You can get all the details and your tickets online at www.anahshriners.org/anahnight now.

You also likely know someone who deserves recognition. Through your nominations the selection committee will try to trim it down to one Noble, Lady and Rookie of the year.

Also - if you are a unit/club head, please be sure to submit your Member of the Year for their recognition at the event. You pick the criteria, just make sure we have the name and reason why you want to name them your Member of the Year. It's also on the aforementioned nomination form.

Lastly, if you want to be recognized as a LEGACY, you can submit it via the same form or email membership@anahshriners.com with your legacy details to get your certificate and legacy pin at A.N.A.H. Night.

Please be sure to have all of your nominations in by September 22, 2024.

Thank you for what you do, including your assistance in recognizing the amazing work of all our Nobles and Ladies in Anah Shrine!

Shriners Children's Boston Patient Emphasizes Fire Pit Safety

Shriners Children's Boston wants to remind everyone how quickly burn injuries can happen, especially around fire pits. A Shriners Children's Boston patient wants to share his story with others in hopes that it can prevent other children from experiencing painful burn injuries.

A few years ago, Sawyer's family set up a fire pit on the beach for his grandfather's 85th birthday party. Sawyer was 10 years old at the time and his family took all necessary precautions, including having a permit for the fire and using a pit to keep the hot embers off the sand. After the party ended, the family extinguished the fire and moved the fire pit to safely dispose of the ashes. However, it was dark and Sawyer accidentally walked through the spot where the fire pit had been. The sand was still so hot that it caused severe burns on the bottom of his feet.

"I remember just feeling extreme pain and not really knowing what had happened," said Sawyer. "Thankfully, my family heard me scream and from there everything moved quickly in terms of them calling the paramedics and me being flown to the hospital. When I got to Shriners Children's, I remember the first person I met was named Wally. He was one of the best nurses I've ever met and really made me feel like it would all be OK. It was such a significant burn that I had to go through months of physical therapy at Shriners Children's in order to even be able to walk again. But they did an amazing job helping me every step of the way until I was completely recovered."

Sawyer said the care that Shriners Children's provided him went beyond the typical hospital experience. Physical therapy, psychiatrists and even opportunities to work with pet therapy dogs while learning to manage the pain were available. Shriners Children's organized a school reintegration program when Sawyer was able to return to school, which helped with the nervousness of returning to that environment after the accident.

Sawyer said his experience has given him and his family a mission – to help prevent injuries like his from happening to other kids. He said that since his accident, he's met and heard about several other kids who have had similar burn injuries due to beach bonfires. He also has worked with local firefighters and paramedics, brainstorming new ways to prevent these types of injuries from happening.

"I know my family and I really thought we were taking all of the necessary precautions before the accident happened, so I think there's a lot of people who can learn from our situation in terms of best fire safety practices," said Sawyer. "For me, one of the biggest lessons we learned was that sand can absorb and hold the heat even after the fire is gone, so it's really important to mark where the fire was. I know a lot of people also like to build fires directly in the sand and then bury them afterward, but that can also lead to people accidentally stepping on a spot that's still hot, even hours after the fire is out. I always tell people to mark the spot with a flag so people know to watch out for it."

“IN MEMORY OF OUR DEPARTED BROTHER NOBLES”

When Allah calls, then our friends obey and fold their tents and steal away. To the land where the crystal waters flow, where the Beautiful Palms of Allah grow. Life is a story in volumes three, the past, the present, the yet to be. The first we’ve written and laid away, the second we’re reading day by day, The third and last of the volumes three, is locked from sight
 - God keepeth the key.
