POTENTATES MESSAGE

Adam Beals, Potentate

Well summer has finally arrived, and the parading season is in full swing - The Divan appreciates all the hard work you put in during the summer! It has come to our attention that some motorized units have been parading without helmets. Remember - This is still a requirement; helmets must be worn during all parades. I know it's not what we like to wear, and your fez would be better, but with the issues we have had with maintaining insurance over the years, this is required to keep in compliance. Thanks for the help!
 A group of us just got back from Imperial in Reno, Nevada. It was a busy week, many meetings and lots of networking. We have been notified

that Imperial has accepted our bylaw change. This change goes into effect Dec 31, 2024. The change we proposed was suspension of nobles after ONE YEAR of unpaid dues versus three years. Our rationale for this change is cash flow, for every year these nobles are in the arrears, Anah still has to pay Imperial per capita. With nobles three years in the rear this costs Anah upwards of \$15,000. We decided that we can no longer carry that bill for so long. This is going to be a huge change and all nobles need to be aware, so please pay your dues timely. Some of you may not know that if you don't pay your 2024 dues - you cannot participate in any Shrine activities, this includes Circus, Parades, or club/unit meetings. Right now, we are looking at about 200 members that will be suspended at the end of the year. If you haven't paid your dues * Please, Please, Please * contact the office to pay your dues or visit Web Fez for payment ASAP. I sent letters out the last week to all members that need to pay dues, be sure to call us with any question. This past weekend, we had the East-West Lobster Bowl. If you have never been to this event try to make it out to next year! All the athletes work very hard to get donations for Shriner's Childrens. While at

Imperial Session, we learned that Maine Lobster Bowl was ranked #2 in all of the Shriner's International for our 2023 Maine Shrine Lobster Bowl - \$180,000 raised. This past weekend, they raised \$206,000 in 103 days - all I can say is WOW! One football player in Orono raised almost \$7400 and was the top contributor! The football game was very well attended at Lewiston High School, the stands and sidelines were packed with people. What a game it was - the West came out on top with a score of 48-18. Be on the lookout next year for the details and make it a point to attend.

This coming Sunday some Divan members and Shrine membership leaders will join with leaders from the appendant Masonic bodies to discuss membership - how we can help each other? The Grand Master and I talked while in Reno, we determined it would be a good idea to get all involved in one room to discuss a plan forward. The best thing we can do to support our Blue Lodges is going to meetings! If you have been thinking about going and haven't, make it a priority to go next month to support your Brothers.

Greetings Nobles and Ladies. I hope your summer has been as splendid as the weather, with lots of sun and fun. I know there have been a lot of nobles parading just by looking at all the permission slips and the pictures on Facebook.

I'm going to talk about dues again. There are still over 200 nobles who have not paid their 2024 dues. If your dues are not paid by December 31, you will be suspended and the process to be reinstated is becoming more challenging. Please, get your dues paid as soon as possible. If you need help paying your dues online, please give me a call at the Temple and I can help you. If you need your shrine number or member number, I can help you with that as well. Dues notices for 2025 will be going out in September and should be paid by December 31 of this year.

The August Stated Meeting is on the 13th. Unit heads, please make sure your unit is represented. We will be discussing another bylaw change, so attendance is strongly encouraged.

August is one of the quieter months due to all the parading and clubs being shut down for the summer months, but things start picking up again in September, so be on the lookout for upcoming events. And look at the calendar, there are several opportunities to gather and celebrate Anah and its members.

Until next month, enjoy more summer and sun.

Fraternally,
Pete Loiselle, Recorder

Hello Academicians and Ladies!

I hope everyone is having a great summer! Yours truly has been busy with many home projects as usual, but I have also been having fun in Bar Harbor (where I come from and mother is still there), out to lake camp, with company who have come to visit, etc. All the usual summer projects and activities. We are especially looking forward to going to York Beach for several days this month.

We had a very good June Ceremonial in Old Town. Unfortunately our unit

director Shawn Spratt was unable to attend as he was assisting his very elderly grandfather, our honorary member Bud Young. So Darren Gray brought the parade trailer and Micah Swallow brought the equipment trailer. And Bruce Leavitt hauled the parade trailer during the parade. Everyone pitched in to set up and take-down and re-pack everything. MANY thanks to everyone for the great teamwork and especially to Darren, Micah, and Bruce for helping out so much with the trailers.

Our next meeting is Oct. 30th. More communication will be forthcoming as to where it will be held.

That's all for now folks! Have a great August, and May The Force Be With You! Remember, never hesitate to contact me with any news, gossip, questions, concerns, or just plain old outright lies you would like to share with our members, Ladies, and Shrinedom in general. RABBAN RAMBLINGS

CR Ryan Otis - Reporter

Hello Nobles and Ladies,

I want to thank the 5 folks who read the column last month and emailed me! Waiting on the other 2147 recipients to email me.

Summer is flying by, between the Imperial Session, baseball, and the Maine Shrine Lobster Bowl Classic I feel like I've been away more than I've been home.

If you're not aware our new Imperial Potentate Richard Burke took office at the end of the Imperial Session July 4th.

His 1st official visit was to the MSLBC, if you're wondering about his dedication to our organization, don't. After being stranded in NY traveling to Maine and not having any flights due to the Microsoft outage, Imperial Sir Richard and Lady Judy grab a rental car and headed to Lewiston arriving at 1am. Archer and I thankfully were able to great them and get them settled in after 2 long days of travel. Take a few minutes and watch there inspirational video on YouTube. You'll want to be in Atlanta in 2025 to celebrate there great year.

Don't forget the stated meeting is August 13, always lots of information to be shared with unit and Club leaders!

The time is near to book your bus seat and room at the NSA!

If you finished the column email me with the subject Rise in '25!

Here we are August already. We certainly have had a great summer so far. Yes, it has been hot, but remember last summer. Also, before we know it, snow will fly just like the time. I write this before we have our picnic at the Dulac's, I'm sure it was a great time. Again, thank you so much for hosting us. The weather was good I'm sure. Not sure where we will go this month. We will discuss it at the picnic. Have a great month.

Convertibles

Gaylord Sundt - Reporter

Thirteen convertible unit members showed up for the 4th of July parade in Jonesport on the 29th of June. Great turnout and as always fun. Good support from the townsfolk there. Thankfully the rain held off until the end of the parade. No fun driving around topless in the rain. Having fun for the kids is one thing, that's not!

I didn't attend the 4th celebrations in Eastport but didn't get any calls for bail, so I guess everyone behaved!

I was surprised to learn the Noble Ross Grant and his Lady Anne have participated in all the Eastport parades now going back 26 years. Wow! Talk about commitment! Thankyou both for your support.

Reading past years Anahgram reports, there sure are some interesting stories that we've all shared with our Shrine family. What a great organization and I'm proud to be a part of it!

The august calendar sure is a popular month for unit member birthdays. Tina Young, Jennifer Alexander, Butch Costain, Terry Wessel, Dale Nelson, Roberta Wessel and our divan rep Ed Huntley all will be blowing out candles this month. Happy day to all of you!

Several members, past and present, celebrate their wedding anniversary this month as well. Tom and Carroll Fernald, Gaylord and Lorraine Sundt, Ed and Terri Huntley and Brett and Jennifer Alexander all share this popular month. Happy anniversary to you all!

Guess that's enough for this month. Be sure to remember all of our Shrine family and friends in your thoughts and prayers. It does help!

Anah Highlanders

Mike Murphy, Reporter

Greetings Nobles and Ladies. Today is Saturday July 13, 2024, I'll be home all day trying to escape the miserable weather. Sticky, gray, humid, with constant threats of rain are things that I don't find very relaxing. My tomatoes are starting to show signs of blite. However, enough positivity and optimism, your Highlanders have been busy. Jonesport, despite fridge temperatures and threats of rain, was a success. The organizers were true to their word, and they organized a nice parade that the community seemed to enjoy. The pipes were under the direction of pipe sergeant Cliff Wells, with band president, Doug Dulac on the base. Our newest Highlander Dan Madore joined us. Lady Robyn was also able to participate as it was a non-shrine event. Next week we head to Lincoln, for the Loon Festival. That is always a parade that is well-attended by the community. I hope we can put enough of a contingent to give them a good show.

Band membership is tight. We desperately need DRUMMERS. Our parade drum corps is the smallest that it has been in my 25 years with the band. If you have any rhythm, our instructors can teach you to play. Expense for drummers is minimal. A practice pad and a set of sticks. Our summer parade attire is usually light and white. The Highlanders provide almost all of the uniform, white shirt and a pair of dress shoes are the only other expense that I'm aware of. There are lots of good-looking shoes that fit our uniform. Most are reasonably priced AND very comfortable. We have more fun than should be allowed by law. In fact, I think it is against the law, but no one dares say anything, because all regimental highlander uniforms require a sgain-dubh (small knife) to be worn in our hose (socks). Email me at pippingprechaun@hotmail.com for more information.

Until next time, be blessed.

Continue Your Masonic Journey

Scottish Rite - Shrine One Day Class

Kora Shrine, Lewiston, October 19, 2024

The three Blue Lodge degrees represent the beginning of a lifelong journey where men pursue self-improvement as morally upright, educated, spiritual men, while building strong ties with like-minded individuals. The degrees launch a journey where we selflessly share our time, caring, knowledge and charitable giving to benefit our brothers, families, communities and society. The trip becomes a life-changing and fulfilling experience.

As meaningful and rewarding as our Blue Lodge experience is, it may be but the beginning of an exciting values-based journey available to Freemasons; an opportunity to grow personally while benefiting our family and friends as well as strangers that we may never meet.

These first steps lead us to the Scottish Rite, Shrine and other Masonic organizations offering brotherhood and charitable opportunities. So why is this a great time to become a Scottish Rite 32° Mason and Shriner?

The Scottish Rite is recognized worldwide for its 29 philosophical degrees; substantial college scholarships; brotherly relief; and 45 children's dyslexia centers serving over 1,300 children each year while training hundreds of teachers to tutor these children, one-on-one.

The Shrine is also world renowned for its 20 orthopedic and burns centers. And the Shrine is fun-focused, with its

clowns and other units appearing in parades throughout Maine, across the country and beyond.

October 19th is your first opportunity to participate in a Scottish Rite-Shrine one-day class in Maine in ten years. Master Masons may join both bodies in one day. It's a great opportunity to experience additional Scottish Rite degrees and expand your circle of friends and brothers. We also urge Shriners to become members of the Rite, and members of the Rite to become Shriners.

ALL Shriners and Scottish Rite Masons are encouraged to attend their meetings on this day to welcome new members and join in a great day of camaraderie that only Masonic brothers can appreciate. Let's pack the house!

To encourage Master Masons to join in this unity class, the Scottish Rite is offering a reduced application fee of \$125 and, if you also join Shrine, Kora will also charge only \$125. Please contact the Shrine offices for more information. **Registration deadline October 10th.**

Reservations for the 4 pm dinner (\$25) must be made with the Kora office. (Email khansen@KoraShriners.org or visit www.KoraShriners.org.) Scottish Rite members need to make lunch reservations with the Portland Valley Secretary to help arrange for noontime meals during the singing woodsmen presentation of the 22nd degree.

In making this application I promise on my word of honor that should I be elected and become a member of your honorable body, I will swear true faith, allegiance and fealty to the Supreme Council of Sovereign Grand Inspectors General of the Thirty-third and last degree of the Ancient Accepted Scottish Rite of Freemasonry for the Northern Masonic Jurisdiction of the United States of American, sitting at its Grand East in the Town of Lexington, Massachusetts, and will support and abide by its Constitutions, Orders and Decrees.

That I will hold allegiance to the said Supreme Council and be loyal thereto, as the supreme authority of the Rite; that I will hold illegal and spurious every other body that may be established within its Jurisdiction claiming to be a Supreme Council and every other Body of said Rite within the same Jurisdiction that does not hold its powers from said Supreme Council and will hold no communication whatever in Scottish Rite Masonry with any member of the same nor allow him to visit any Body of the Rite of which I may be a member; that I will dispense justice to my brethren according to the laws of equity and honor.

INTRODUCING OUR 2024-2025 INTERNATIONAL PATIENT AMBASSADORS

MEET PAIGE AND GRAYSON

Every year, Shriners Children's™ selects a pair of International Patient Ambassadors to represent the healthcare system's patients. The ambassadors share their stories of perseverance and the ways Shriners Children's has made a difference in their lives. We are honored to have these impressive young people advocating for our healthcare system.

PAIGE

Paige, 19, is a college student from Louisiana studying business management. When she was 8, Paige experienced a terrifying allergic reaction to a newly prescribed seizure medication. At first, doctors thought she had developed strep throat, and some even thought it was pinkeye, a common childhood ailment. When her symptoms drastically progressed, she was rushed to the hospital with a 104 degree fever and her skin slowly blistering off her body.

Her diagnosis was Stevens-Johnson syndrome (SJS), a painful and rare condition often described as burning from the inside out. With the worst form of SJS, toxic epidermal necrolysis (TEN), Paige had developed a life-threatening rash that eventually covered 80% of her body and mimicked the effects of a severe burn injury. Doctors knew her best chance of survival was to transfer her to Shriners Children's Texas.

The burn care teams at Shriners Children's have the specialized expertise to treat conditions such as SJS using many of the same burn care standards and treatments for skin conditions that have characteristics similar to burns.

Over the years, Paige has had over 20 surgeries, with much of her early teen years spent going in and out of the hospital for treatment. Today,

she experiences the lingering effects of SJS, including issues with her vision. But this hasn't stopped her from accomplishing her goals and enjoying her life. Not only are her parents and two younger brothers a constant source of strength (and laughter!), but her care team has become like a second family to Paige.

Paige became a patient ambassador for Shriners Children's Texas, a role that helped her strengthen her determination to succeed and gives her a platform to spread awareness about SJS. She is dedicated to helping children facing similar battles, including the bullying from peers that often accompanies these types of conditions. Her experiences have honed her leadership skills.

"To me being a leader means that you have the will, the want, and the power to make a difference," said Paige. The hardest thing she has done in her life was accepting what happened to her and looking at it in a positive light: But she had the courage and perseverance to get through it and come out stronger on the other side.

Paige looks forward to sharing her story on an even bigger stage as an International Patient Ambassador. "Without Shriners Children's, I would definitely not be where I am today. In fact, I probably would not be alive," she said.

"I am very excited about the chance to give back and talk about the life-saving care I received at Shriners Children's. I want to inspire others and give hope that they too can endure."

GRAYSON

Grayson, 20, was born in Kiev, Ukraine, without a femur, making his right leg significantly shorter than his left. He was also born missing two fingers on his left hand. At 15 months, he met his parents while living in an orphanage in Ukraine. His mom and dad were ready to adopt and aware that Grayson would need specialized medical care.

Grayson's mom, Ceci, knew who to call. She reached out to a contact at the Pediatric Orthotic and Prosthetic Services (POPS) department at Shriners Children's Lexington for help.

When Grayson arrived in the U.S. with his parents, they weighed their options for treatment with the medical team in Lexington. They decided on surgery to remove part of the foot and rework his ankle to suit a prosthetic leg.

Today, thanks to some help from his care team and a lot of personal perseverance, Grayson never lets his physical differences hold him back. He has tried everything from swimming to football, soccer, basketball, baseball and cross-country running. He's been active in 4-H and enjoys shooting sports. Grayson is an Eagle Scout and enjoys rock climbing, hiking, bicycling and skiing.

"Shriners Children's Lexington has been a part of my life from the very beginning," Grayson said. "Shriners Children's has literally given me the legs to be my fullest self. I am forever grateful for everything they have done for me."

Grayson's parents agree. Ceci said the medical center has always made it easy for Grayson to get the care he needs, especially remaining accessible at any time to make adjustments to his prosthetics for comfort, fit and function. "We're so thankful for Shriners Children's, because we've been able to get above and beyond what Grayson needs. The quality of the care and the quality of the providers far surpass anywhere else," she said.

Grayson credits his parents and his care team for instilling in him the confidence to never put limits on himself just because of his physical differences. He strives to be the kind of leader who is humble, kind and generous even when people aren't watching.

Grayson grew up in Kentucky with his parents, brother and sister and is now attending college in Arkansas. He is majoring in construction science, with dreams of being a real estate developer.

He is very excited for the opportunity to serve as an International Patient Ambassador to give back to the organization that has treated him since he was a toddler. "I am so humbled to have been chosen to share my story and represent Shriners Children's. I want to inspire other amputees and let them know about this special community that has become like a family to me," said Grayson.

"I have the opportunity to use this platform to provide hope to others and share the message of the incredible care Shriners Children's gives."

LOBSTER BOAT UNIT

William Geel, Reporter

The unit had a good showing at the ceremonial in Old Town.

June 29 saw the unit in Jonesport. There were nine boats present which was a good showing. Guy was towed. Thanks to Brad Prout's brother-in-law for helping us out as well as another brother Shriner.

On July 4th, the unit had a good showing in Bar Harbor with six boats. No one was towed. Everyone we talked to said the unit was a big hit. They were glad to have us back. Also a big thank you to the guys in the unit who attended other parades in Dennysville and Machias.

The unit split on July 13th. Four boats went to Penobscot and the only casualty was Noble Troy who had to be towed to the lineup, through the parade and on to the finish line. Lady Mary, where were you when he needed you? Thanks to Lady Lisa for chauffeuring. Also the unit made a showing at Addison Days. Thank you to the ladies that supported us all our parade efforts.

Since we didn't have a report in July, we are sending belated birthday wishes to Troy Hanna, Dennis Sargent, and Matt Cocoran.

The Black Camel

Honoring Those Who Have Gone Before Us!

“IN MEMORY OF OUR DEPARTED BROTHER NOBLES”

When Allah calls, then our friends obey and fold their tents and steal away. To the land where the crystal waters flow, where the Beautiful Palms of Allah grow. Life is a story in volumes three, the past, the present, the yet to be. The first we’ve written and laid away, the second we’re reading day by day, The third and last of the volumes three, is locked from sight
 - God keepeth the key.
